Certificate of Author

I, Dexter S. Ferreira, do hereby certify that:

- I am currently employed by IRES cc. at:
11 @ 13 Jupiter Street,
Westonaria, 1780
Gauteng, South Africa
- I have graduated with a Bachelors of Science (BSc.) degree in geology from McGill University in Montreal, Quebec, Canada in 1983. In addition, I graduated with a Bachelors of Engineering (BEng.) degree in mining from McGill University in Montreal, Quebec, Canada in 1989.
- I am a Member of the South African Council for Natural Scientific Professions (400048/03) and in good standing.
- I have worked as a geostatistician for a total of almost 19 years since my graduation from university, as an employee of various major mining companies; the last one being Placer Dome Inc. as a geostatistician. I have been a consultant for over 3 years.
- I have read the definition of a “qualified person” as set out in National Instrument 43-101 (“NI43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a “qualified person” for the purposes of NI 43-101.
- I am responsible for the preparation of the technical report entitled “Technical Report on the Boyongan Porphyry Deposit.” I have visited the property and the field office in Surigao, Mindanao, Philippines.
- I have completed an independent review of the data collection, preparation and analysis of the data presented herein. I have personally completed the completed Mineral Resource estimation for the 2008 Mineral Resources for Boyongan.
- I have not had prior involvement with Philex Gold Inc.

- I am not aware of any material fact or material change with respect to the subject matter of the Mineral Resources of the Boyongan Porphyry deposit that is not reflected in the Technical Report, the omission to disclose which makes the Technical Report misleading.
- I do not hold, nor do I expect to receive, any securities or any other interests in any corporate entity, private or public, with interests in the property that are the subject of this report or in the property itself, nor do I have any business relationship with any such entity apart from a professional consulting relationship with the Issuer, nor to the best of my knowledge do I have any interest in any securities of any corporate entity mentioned in this report.
- I have read NI43-101 and Form 43-101F, and the Technical Report has been prepared in compliance with that instrument form.
- I consent to the filing of the Technical Report with any stock exchanges or other regulatory authority and any publication by them, including electronic publication in the public company files on the websites accessible by the public, of the Technical Report.
