

**BC FORM 53-901F
(Previously Form 27)**

Securities Act

MATERIAL CHANGE REPORT

Item 1: Reporting Issuer

State the full name and address of the principal office in Canada of the reporting issuer.

**Aurogin Resources Ltd.
55 University Avenue
Suite 1101
Toronto, Ontario M5J 2H7
Telephone (416) 214-4809; Facsimile (416) 214-4877**

Item 2: Date of Material Change

State the date of the material change.

May 16, 2007

Item 3: Press Release

State the date and place(s) of issuance of the press release issued under section 85(1) of the Act.

May 16, 2007 from Toronto, Ontario and filed on SEDAR

Item 4: Summary of Material Change

Provide a brief but accurate summary of the nature and substance of the material change.

On May 16, 2007, the Issuer announced that it had commenced an exploration drill program at its Lone Mountain Property near Eureka, Nevada.

Item 5: Full Description of Material Change

Supplement the summary required under Item 4 with the disclosure that should be sufficiently complete to enable a reader to appreciate the significance of the material change without reference to other material. Management is in the best position to determine what facts are significant and must disclose those facts in a meaningful manner. See also Item 7.

This description of the significant facts relating to the material change will therefore include some or all of the following: dates, parties, terms and conditions, description of any assets, liabilities or capital affected, purpose, financial or dollar values, reasons for the change, and a general comment on the probable impact on the reporting issuer or its

subsidiaries. Specific financial forecasts would not normally be required to comply with this form.

The above list merely describes examples of some of the facts that may be significant. The list is not intended to be inclusive or exhaustive of the information required in any particular situation.

On May 16, 2007, the Issuer announced that it had commenced an exploration drill program at its Lone Mountain Property, consisting of 88 unpatented lode mining claims located approximately 25 km north-west of Eureka, Nevada on the prolific Battle Mountain-Cortez Gold Trend.

During 2006, the Issuer completed Controlled Source Audio-Magnetotelluric surveying, mapping, surface geochemical sampling, and acquired gravity and airborne magnetic data covering this property, with a major west-north-west trending fault structure, generally coincident with a geochemical anomaly previously identified on the property, being outlined.

Permitting and environmental bonding for 12 exploration drill holes ranging from 150 to 200 metres in depth was finalized on November 9, 2006; on April 17, 2007, the Issuer signed a contract to drill 5 holes of 200 metres each for a total of 1,000 metres.

Item 6: Reliance on section 85 (2) of the Act

If the report is being filed on a confidential basis in reliance on section 85 (2) of the Act, state the reasons for that reliance.

Not applicable

Item 7: Omitted Information

In certain circumstances where a material change has occurred and a material change report has been or is about to be filed but section 85 (3) of the Act will no longer or will not be relied upon, a reporting issuer may nevertheless believe one or more significant facts otherwise required to be disclosed in the material change report should remain confidential and not be disclosed or not be disclosed in full detail in the material change report.

State whether any information has been omitted on this basis and provide the reasons for any omission in sufficient detail to permit the Commission to exercise its discretion under section 169 (4) of the Act.

The reasons for the omission may be contained in a separate letter filed in an envelope marked "Confidential – Attention: Supervisor, Financial Reporting".

Not Applicable

Item 8: Senior Officers

Give the name and business telephone number of a senior officer of the reporting issuer who is knowledgeable about the material change and the report or an officer through whom the Commission may contact that senior officer.

John Paterson, President and Chief Executive Officer

Telephone: (416) 214-4809

Facsimile: (416) 214-4877

Item 9: Statement of Senior Officer

The foregoing accurately discloses the material change referred to herein.

Dated at Toronto, Ontario, this 16th day of May, 2007.

"John Paterson"

John Paterson
President and Chief Executive Officer
