Following Announcement Of Fourth Quarter And Full Year Fy2020 Results**

Ottawa, Ontario, November 16, 2020 – Calian Group Ltd. (TSX:CGY) will hold a webcast at 8:30 a.m. Eastern Time on Wednesday, November 25, 2020 to discuss the results for the three-month and annual periods ended September 30, 2020, which will be released prior to the call on Tuesday, November 24, 2020 after the financial markets close.

Interested participants from the financial and media community should join the live presentation by going to Calian's website and clicking on the Investors Resources page to find the presentation link or by URL found here: <https://www.webcaster4.com/Webcast/Page/2537/38818>

The conference call will be available for a period of 14 days for playback and is accessible by dialing toll free: 877-481-4010 or International: 919-882-2331 and entering the replay passcode: 38818 or alternatively it can be viewed by going to Calian's Investor Relations page.

About Calian

Calian employs over 4,400 people in its delivery of diverse products and solutions for private sector, government and defence customers in North American and global markets. The Company's diverse capabilities are delivered through four segments: Advanced Technologies, Health, Learning and Information Technology. The Advanced Technologies segment provides innovative products, technologies and manufacturing services and solutions for the space, communications, defence, nuclear, government and agriculture sectors. The Health segment manages a network of more than 2,000 health care professionals delivering primary care and occupational health services to public and private sector clients across Canada. Our health services team also provides management and strategy services to pharmaceutical companies conducting clinical trials and conducts patient support programs. Learning is a trusted provider of emergency management, consulting and specialized training services, products and solutions for the Canadian Armed Forces and clients in the defence, health, energy and other sectors. The Information Technology segment supports public- and private-sector customer requirements for subject matter expertise in the delivery of complex IT and cyber security solutions. Headquartered in Ottawa, the Company's offices and projects span Canadian and international markets.
