Totals may not reconcile due to rounding.

Total AUM increased 4.0% in the quarter, reflecting positive net flows in both the Public Markets and Private Markets platforms, along with positive market growth and favourable foreign exchange impact from U.S. dollar appreciation.

Public Markets total AUM increased 3.8% in the quarter, driven by market appreciation, favourable foreign exchange impact and positive net flows of approximately \$50 million. Public Markets AUM, excluding sub-advised AUM, increased 3.7% and experienced strong net inflows of approximately \$800 million, primarily into equity mandates.

Private Markets AUM increased 5.4% in the quarter. Growth was primarily due to a previously announced initial investment of more than \$800 million, divided equally between infrastructure and real estate investments, into the newly launched Canadian Built Opportunities Platform.

Forward-Looking Statements

This document contains forward-looking statements relating to future events or, future performance reflecting management's expectations or beliefs regarding future events, including, without limitation, business and economic conditions, outlook and trends, Fiera Capital's growth, results of operations, performance, business prospects and opportunities, objectives, plans and strategic priorities, new initiatives, such as those related to sustainability and other statements that do not refer to historical facts. Forward-looking statements may include comments on Fiera Capital's objectives, strategies to achieve these objectives, expected financial results or dividends, and the outlook for the Company's businesses, as well as for the Canadian, American, European, Asian and other global economies. Such forward-looking statements reflect management's current beliefs and are based on factors and assumptions it considers to be reasonable based on information currently available to management. These forward-looking statements may typically be identified by words and expressions such as "assumption", "continue", "estimate", "forecast", "goal", "guidance", "likely", "plan", "objective", "outlook", "potential", "foresee", "project", "strategy", "target", and other similar words or expressions or future or conditional verbs (including in their negative form), such as "aim", "anticipate", "believe", "could", "expect", "foresee", "intend", "may", "plan", "predict", "seek", "should", "strive" and "would".

Forward-looking statements, by their very nature, are subject to inherent risks and uncertainties and are based on several assumptions, which make it possible for actual results or events to differ materially from management's expectations and that predictions, forecasts, projections, expectations, conclusions or statements will not prove to be accurate. As a result, the Company does not guarantee that any forward-looking statement will materialize and readers are cautioned not to place undue reliance on these forward-looking statements. Forward-looking statements are presented for the purpose of assisting investors and others in understanding certain key elements of the Company's objectives, strategies, expectations, plans and business outlook as well as the anticipated operating environment. Readers are cautioned, however, that such information may not be appropriate for other purposes.

A number of important risk factors and uncertainties, many of which are beyond Fiera Capital's control, could cause actual events, performance or results to differ materially from the predictions, forecasts, projections, expectations, conclusions or statements expressed in such forward-looking statements which include, without limitation: risks related to investment performance, investment of

AUM including, without limitation, risks related to external market and economic conditions and other events beyond Fiera Capital's control such as the imposition of economic measures such as tariffs and other trade restrictions, AUM concentration related to strategies sub-advised by PineStone Asset Management Inc., key employees, asset management industry and competitive pressure, reputational risk, regulatory compliance, information security policies, procedures and capabilities, litigation risk, employee misconduct or error, insurance coverage, third-party relationships, client commitment, indebtedness, market risk, credit risk, inflation, interest rates and recession risks, ownership structure and potential dilution and other risks and uncertainties described in the Company's Annual Information Form for the year ended December 31, 2024 under the heading "*Risk Factors and Uncertainties*" or discussed in other materials filed by the Company with applicable securities regulatory authorities from time to time which are available on SEDAR+ at www.sedarplus.ca.

Readers are cautioned that the preceding list of risk factors and uncertainties is not exhaustive and that other risks and uncertainties could affect the Company. Additional risks and uncertainties, including those not currently known to Fiera Capital or currently deemed immaterial, could also have a material adverse effect on the Company's business, financial condition, liquidity, operations or financial results. When relying on forward-looking statements in this document or in any other disclosure made by Fiera Capital, investors and others should carefully consider the risks and uncertainties listed above, along with other potential events that could affect the Company's financial condition, operations, performance or results.

Unless otherwise indicated, forward-looking statements in this press release describe management's expectations as at the date hereof and, accordingly, are subject to change after that date. Fiera Capital does not undertake to update or revise any forward-looking statement, whether written or oral, that may be made from time to time by it or on its behalf in order to reflect new information, future events or circumstances or otherwise, except as required by applicable law.
