**DATAMARK SYSTEMS GROUP INC. ANNOUNCES THE ACQUISITION OF ASSETS FROM
SHERATON BUSINESS FORMS LTD. AND SHERATON LABELS LTD.**

DATAMARK SYSTEMS GROUP INC. ("Datamark"). is pleased to announce that on April 1, 2003, it has, through its wholly-owned subsidiary Datamark Systems Inc., acquired the operating assets of Sheraton Business Forms Ltd. and Sheraton Labels Ltd. The Sheraton Group carried on the business of printing, manufacturing, distributing and selling of business forms, self adhesive labels, ribbons, roll products, commercial printing, document management services and other related activities. The Sheraton Group, whose plants are located in Calgary, Alberta and whose sales offices are in Calgary, Edmonton and Vancouver had annual sales of \$9.5 million.

This acquisition will allow Datamark to further grow its business in Western Canada and will allow it to compete more effectively on a national scale.

Datamark is dedicated to providing efficient and innovative document management solutions. Datamark's operating divisions and subsidiaries, Datamark Systems, Proforms and Les Impressions Intra-media Inc. provide a full range of products and services including forms, labels, airline products and short and long run commercial printing. Document management services encompass warehousing and distribution as well as customized inventory and cost reporting. Datamark's plants and distribution centres are in Quebec, Ontario, Manitoba and now Alberta. Datamark Systems Group Inc. is listed on the Toronto Stock Exchange under the symbol DMK.
