Re: Magna International Inc. - Take-over Bid Circular

Please note that it has come to our attention that the number of shares indicated in the response to question 7 on the Form 42 dated April 6, 1996 was incorrect. As of April 2, 1998, the number of shares held by security holders whose addresses as shown on the books of Triam is in Ontario was 5,768,018. Please note that the fees paid in respect of the bid were based on the correct number of shares held in Ontario.

Should you have any questions with respect to this matter, please do not hesitate to contact me at the number noted above.

Yours very truly,

Eleanor K. Farrell
