

DIGITAL BROS WILL PUBLISH THE PC VERSION OF THE VIDEOGAME DEATH STRANDING

Digital Bros announces the contract with Kojima Productions for the worldwide publishing rights of Death Stranding on PC

Milan – 28 October 2019 – Digital Bros Group (DIB:MI), which is listed on the STAR segment of Borsa Italiana and operates in the digital entertainment sector, announces today the contract between its subsidiary 505 Games and Kojima Productions for the worldwide publishing rights of the PC version of the videogame Death Stranding. The console version of the videogame will be published on PlayStation 4 by Sony Interactive Entertainment. The Group expects to generate lifetime revenues in excess of Euro 50 million from the PC version of the videogame.

Kojima Productions is a creative studio helmed by renowned game creator Hideo Kojima. The studio was established in December of 2015 under the banner of "From Sapiens to Ludens", which signifies an evolution from "human beings" to "beings who play". The latest game production, Death Stranding, is currently under development in collaboration with Sony Interactive Entertainment. Kojima Productions is dedicated to providing Ludens across the globe with completely new and original play experiences.

The console version of the videogame, published by Sony Interactive Entertainment, is set to be released on November 8, 2019. The PC version of the videogame will be published by 505 Games in Summer 2020 and the release date will be announced.
