FOR IMMEDIATE RELEASE
WEDNESDAY, JULY 29, 1998

CALGARY -- Shell Canada Limited ("Shell") announces its intention to make a normal course issuer bid, subject to regulatory approval by The Toronto Stock Exchange and the Montreal Exchange. Shell intends to repurchase for cancellation up to one percent of its 290,167,640 Class "A" Common Shares issued and outstanding as at July 28, 1998, to a maximum of 2,901,676 Common Shares during the term of the bid. Repurchase of the Common Shares will be carried out through the facilities of the same exchanges.

The purchase of the Common Shares under the bid will lessen the effects of dilution from issuance of additional Common Shares pursuant to its employee stock option program.

The price which Shell will pay for any such Common Shares will be the market price at the time of acquisition. The actual number of Common Shares which will be purchased and the timing of any such purchases will be determined by Shell.

Shell Petroleum N.V., which holds, directly and indirectly, 225,637,338 Common Shares of Shell, has advised that it does not intend to participate in the bid. Shell Petroleum N.V. is a member of the Royal Dutch/Shell Group of Companies.
