**AbitareIn S.p.A.** represents innovation and a paradigm shift in the residential development sector, driven by its democratic vision of living that combines urban regeneration, affordability and the needs of today's families.

Efficiency, industrialisation and the creation of an identity brand are the foundations of a continuous and sustainable growth of the business model that focuses on the person and the home as an "aspirational" consumer product.

AbitareIn is thus committed to renovating the city's disused building stock and reviving its urban fabric, investing in projects of great aesthetic, environmental and social value and dedicating itself to responsible, far-sighted action; aware first and foremost of the essential nature of its new role as #stilistiurbani. The company has been listed on the Euronext Growth Milan of Borsa Italiana since April 2016. From 1 March 2021 it has been listed on the Euronext STAR Milan (ticker: ABT.MI).
