

WonderFi Provides Update on Annual General Meeting

Toronto, Ontario--(Newsfile Corp. - January 30, 2026) - WonderFi Technologies Inc. (TSX: WNDR) (OTCQB: WONDF) (WKN: A3C166) ("WonderFi" or the "Company") today announced that the British Columbia Registrar of Companies (the "BC Registrar") denied the Company's application for an extension to the deadline to hold the Company's 2025 annual general meeting ("AGM"), which was required to be held by August 24, 2025 under the provisions of Section 182 of the *Business Corporations Act* (British Columbia). The Company had submitted the application in order to avoid the expense of holding the AGM in light of its impending transaction (the "Transaction") with Robinhood Markets, Inc. (NASDAQ: HOOD) ("Robinhood"), and intends to apply for relief from the Supreme Court of British Columbia (the "Court") to extend the deadline to hold its AGM.

Robinhood and the Company are continuing to work on post-closing integration, which will facilitate Robinhood's deployment of its proprietary technology in Canada, and WonderFi continues to anticipate a closing of the Transaction in the first half of 2026, subject to the satisfaction or waiver of the remaining conditions to closing of the Transaction as set forth in the arrangement agreement (as amended) governing the Transaction.

Given the delay in holding the AGM, the Company is currently not in compliance with section 464 of the TSX Company Manual, which requires that every company having securities listed on the Toronto Stock Exchange hold its annual meeting of shareholders within six months from the end of its fiscal year. The Company has requested that the TSX grant a further extension of the deadline to hold its AGM.
