A.I.S. Resources Limited

A.I.S. RESOURCES CLOSES \$710,000 FINANCING

Vancouver, British Columbia – February 26, 2019 – **A.I.S. Resources Limited** (TSX-V – AIS, OTCQB: AISSF) (the "Company" or "AIS") is pleased to announce that it has completed the sale of 12,622,222 units ("**Units**") at \$0.05625 per unit for gross proceeds of \$710,000, (the "**Private Placement**"). The proceeds will be used for exploration on the Guayatayoc property and for general working capital purposes.

Each unit consists of one common share and one transferrable share purchase warrant. Each warrant will entitle the holder thereof to purchase one additional common share for a period of 12 months from the closing date of the offering at a price of \$0.12 per common share provided that if the closing price of the common shares of the Company on any stock exchange or quotation system on which the common shares are then listed or quoted is equal to or greater than \$0.20 for a period of fifteen (15) consecutive trading days, the Company will have the right to accelerate the expiry of the warrants to a date that is not less than ten (10) business days from the date notice is given. The Company will pay finders fees totaling \$600 and issue 8,000 finders warrants. The Common Shares issued pursuant to the Private Placement and the exercise of the Warrants will be subject to a hold period of four months and one day from the closing date of the Private Placement, in accordance with applicable Canadian securities laws. Closing is subject to final acceptance by the TSX Venture Exchange.

About A.I.S. Resources

A.I.S. Resources Ltd. is a TSX-V listed investment issuer, was established in 1967 and is managed by experienced, highly qualified professionals who have a long track record of success in lithium exploration, production and capital markets. Through their extensive business and scientific networks, they identify and develop projects worldwide that have strong potential for growth with the objective of providing significant returns for shareholders. The Company's current activities are focused on the exploration and development of lithium brine projects in northern Argentina.

ADVISORY: *This press release contains forward-looking statements. More particularly, this press release contains statements concerning the anticipated use of the proceeds of the Private Placement. Although the Corporation believes that the expectations reflected in these forward-looking statements are reasonable, undue reliance should not be placed on them because the Corporation can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. The intended use of the proceeds of the Private Placement by the Corporation might change if the board of directors of the Corporation determines that it would be in the best interests of the Corporation to deploy the proceeds for some other purpose. The forward-looking statements contained in this press release are made as of the date hereof and the Corporation undertakes no obligations to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
