PRESS RELEASE

Background:

The Final Terms as at the relevant Issue Date indicated that the Specified Denomination of the Notes was “**€10,000** and integral multiples of €1,000 in excess thereof up to and including €19,000. No Notes in definitive form will be issued with a denomination above €19,000” instead of “**€1,000**”. The Issuer intends to correct this error and to amend the Final Terms accordingly, so as to eliminate any obstacles to negotiation on EuroTLX arising from the selection of the Specified Denomination.

All other conditions as stated in the Final Terms remain unchanged.

A copy of this Erratum can be obtained on Borsa Italiana’s website.

The Issuer accepts responsibility for the information contained in this Erratum.
