

FUTURE FUELS ANNOUNCES FILING OF AMENDED AND RESTATED LIFE OFFERING DOCUMENT

Vancouver, British Columbia – October 9, 2025 – Future Fuels Inc. (TSXV: FTUR) |(OTCQB: FTURF) (FWB: S0J) (“**Future Fuels**” or the “**Company**”) announces, further to its September 5, 2025 news release, that it has filed an amended and restated offering document (the “**Amended and Restated Offering Document**”) in connection with its offering (the “**LIFE Offering**”) under the listed issuer financing exemption pursuant to Part 5A of National Instrument 45-106 - *Prospectus Exemptions*, as modified by Coordinated Blanket Order 45-935.

The Amended and Restated Offering Document reflects recent corporate developments of the Company, including the progress of the Company’s exploration activities at its 100%-owned Hornby Basin Project.

All other terms and conditions of the LIFE Offering remain unchanged. The Company expects to close the LIFE Offering on or about October 31, 2025, subject to the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange. For further information regarding the LIFE Offering, investors should refer to the Company’s news release announcing the LIFE Offering dated September 5, 2025 and the Amended and Restated Offering document dated October 9, 2025, each of which is available under the Company’s profile on SEDAR+ at www.sedarplus.ca.

About Future Fuels Inc.

Future Fuels’ principal asset is the Hornby Uranium Project, covering the entire 3,407 km² Hornby Basin in north-western Nunavut, a geologically promising area with over 40 underexplored uranium showings, including the historic Mountain Lake Deposit. Additionally, Future Fuels holds the Covette Property in Quebec’s James Bay region, comprising 65 mineral claims over 3,370 hectares.

Cautionary Note Regarding Forward-Looking Statements

This news release contains forward-looking statements and other statements that are not historical facts. Forward-looking statements are often identified by terms such as “will”, “may”, “should”, “anticipate”, “expects” and similar expressions. All statements other than statements of historical fact, included in this news release are forward-looking statements that involve risks and uncertainties. Forward-looking statements in this press release include, but are not limited to, statements regarding the Company’s exploration and development plans with respect to its projects, statements regarding the LIFE Offering including, without limitation, statements regarding the completion or the expected closing date of the LIFE Offering, the receipt of regulatory approvals, and the Company’s anticipated business and operational activities. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company’s expectations include, but are not limited to, the inherently unpredictable nature of resource exploration, market conditions and the risks detailed from time to time in the filings made by the Company with securities regulators. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. The reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect, and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as of the date of this news release and the Company will update or revise publicly any of the included forward- looking statements as expressly required by applicable law.
