BOARDWALKTECH RENEWS AND EXPANDS BUSINESS WITH KEY GLOBAL CUSTOMERS

Global Social Media Leader Renews and Expands

Major Outsourcing Services Firm Expands Usage

Global Chemical Company Scales Unity Central Deployment

Cupertino, California (November 4, 2025) (TSXV:BWLK, OTCQB: BWLKF) – Boardwalktech Software Corp. ("Boardwalktech" or the “Company”), a leading digital ledger platform and AI enterprise software solutions company, announces several contract renewals and expansions increasing recurring revenue across multiple major enterprise customers.

The world’s largest social media company has renewed its services agreement with Boardwalktech for another year, extending the partnership and expanding the scope of work. This renewal underscores the customer’s continued confidence in the value and performance of Boardwalktech’s technology and represents continued recurring revenue growth for the Company.

A large global multinational IT services firms, both a Boardwalktech customer and partner, has also expanded its engagement. The firm has increased the number of users and extended the functionality of its primary pricing application built on the Boardwalk Platform, further embedding Boardwalktech’s technology into its enterprise operations and driving deeper adoption.

A leading global chemical manufacturer continues to expand its use of Boardwalktech’s Unity Central product to improve supply chain visibility and enhance AI-driven information management. This expansion is helping the customer optimize its order management processes, providing greater transparency, efficiency, and predictive capabilities across its global operations.

“These customer expansions highlight the growing trust global enterprises are placing in our Digital Ledger platform,” said Andrew Duncan, CEO of Boardwalktech Software. “Our technology continues to deliver tangible results across diverse industries, from social media to chemicals and enterprise IT, by addressing critical challenges in data management, workflow automation, and compliance. As these relationships deepen, we are seeing strong momentum, driving organic growth in recurring revenue and our long-term growth objectives.”

About Boardwalktech Software Corp.

Boardwalktech has developed a patented Digital Ledger Technology Platform currently used by Fortune 500 companies running mission-critical applications worldwide. Boardwalktech's digital ledger technology and its unique method of managing vast amounts of structured and unstructured data is the only platform on the market today where multiple parties can effectively work on the same data simultaneously while preserving the fidelity and provenance of the data. Boardwalktech can deliver collaborative, purpose-built enterprise information management applications on any device or user interface with full integration with enterprise systems of record in a fraction of the time it takes other non-digital ledger technology-based platforms. Boardwalktech is headquartered in Cupertino, California with offices in India and operations in North America. For more information on Boardwalktech, visit our website at www.boardwalktech.com.

Forward-Looking Information and Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and may also contain statements that may constitute "forward-looking statements" within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking information and statements are not representative of historical facts or information or current condition, but instead represent only the Company's beliefs regarding future events, plans or objectives, many of which, by their nature, are inherently uncertain and outside of the Company's control. Generally, such forward-looking information or statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or may contain statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "will continue", "will occur" or "will be achieved".

By identifying such information and statements in this manner, the Company is alerting the reader that such information and statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such information and statements.

An investment in securities of the Company is speculative and subject to several risks including, without limitation, the risks discussed under the heading "Risk Factors" in the Company's filing statement dated August 28, 2025. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in the forward-looking information and forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

In connection with the forward-looking information and forward-looking statements contained in this press release, the Company has made certain assumptions. Although the Company believes that the assumptions and factors used in preparing, and the expectations contained in, the forward-looking information and statements are reasonable, undue reliance should not be placed on such information and statements, and no assurance or guarantee can be given that such forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information and statements. The forward-looking information and forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake to update any forward-looking information and/or forward-looking statements that are contained or referenced herein, except in accordance with applicable securities laws. All subsequent written and oral forward-looking information and statements attributable to the Company or persons acting on its behalf are expressly qualified in its entirety by this notice.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
