**Item 5: Full Description of Material Change**

The Company is pleased to report the appointment of Mr. Bob Pepper, President & CEO of Yava Technologies Inc. (Yava), as a Technical Advisor. Mr. Bob Pepper has over 35 years of experience in management, finance and research. In 2008 he assumed the role of President & CEO of Yava, a company that has developed and patented a high-tech metal recovery process that has the potential to achieve higher recoveries and lower costs. Mr. Pepper will work with Aurcana in an effort to maximize the Company's metal recovery processes and improve efficiencies.

Separately, the Company wishes to announce the resignation of Mr. Nils Von Fersen, as Vice President Exploration effective October 31, 2013. Mr Von Fersen is being retained as a consulting geologist. The Company also reports that it has accepted Mr. Paul Matysek resignation from the Board of Directors and welcomes his transition to Aurcana's Technical Advisory Board effective October 31, 2013.
