Short Form Base Shelf Prospectus of Robex Resources Inc. (the “Company”)

I refer to the final short form base shelf prospectus of the Company dated July 20, 2023 (as may be amended from time to time in the future, the “**Short Form Base Shelf Prospectus**”).

I have been named as an author of the report titled “NI 43-101 Technical Report, Mineral Resource and Mineral Reserve Estimates for the Nampala Gold Mine (2020)”, with an issue date of October 23, 2020 and with an effective date of July 31, 2020, which is referred to in the Prospectus, and as a “qualified person” as defined in National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* who has reviewed and approved certain other scientific and technical information contained in the Prospectus (collectively, the “**Technical Disclosure**”).

I hereby consent to the use of my name in the Short Form Base Shelf Prospectus and to the use and the inclusion or incorporation by reference in the Short Form Base Shelf Prospectus of the Technical Disclosure.

I confirm that I have read the Short Form Base Shelf Prospectus and all information specifically incorporated by reference therein and that I have no reason to believe that there are any misrepresentations contained therein that are (i) derived from the Technical Disclosure or (ii) within my knowledge as a result of the services I have performed for the Company in connection with the Technical Disclosure.
