# CCL Industries Announces Two Bolt-on Acquisitions for Avery

Toronto, January 17, 2020 - CCL Industries Inc., a world leader in specialty label, security and packaging solutions for global corporations, government institutions, small businesses and consumers, announced today it has acquired two UK headquartered direct-to-end-user digital printing and software powered businesses in the badging and smart credentials market for its Avery segment.

I.D.&C. World Holdco Ltd (“ID&C”) is a global leader in live event badges and wristbands from operations in Tunbridge Wells, UK and Bradenton, Florida with customers in more than 100 countries. Based in Horsham, UK, IDentilam Ltd designs and develops a range of software solutions for event badging and identification cards along with digital printing services for customers across Europe.

The combined enterprise value of the two unrelated transactions, net of cash and debt but including acquisition of ID&C related real estate and deferred purchase price consideration, is approximately \$40 million. Combined forecast sales for the 12 months ending March 31, 2020, are approximately \$25 million with an estimated adjusted EBITDA of \$6 million.

Geoffrey T. Martin, President and Chief Executive Officer, of CCL Industries Inc. commented, “These two transactions expand Avery’s global presence in the growing badging space of our direct-to-end-user businesses bringing new capabilities in software and smart identification solutions.”

### ***Forward-looking Statements***

This press release contains forward-looking information and forward-looking statements (hereinafter collectively referred to as “forward-looking statements”), as defined under applicable securities laws, that involve a number of risks and uncertainties. Forward-looking statements include all statements that are predictive in nature or depend on future events or conditions. Forward-looking statements are typically identified by the words “believes,” “expects,” “anticipates,” “estimates,” “intends,” “plans” or similar expressions. Statements regarding the operations, business, financial condition, priorities, ongoing objectives, strategies and outlook of the Company, other than statements of historical fact, are forward-looking statements. Specifically, this press release contains forward-looking statements regarding forecast sales and estimated, adjusted EBITDA for the acquired businesses for the 12 months ended March 31, 2020.

Forward-looking statements are not guarantees of future performance. They involve known and unknown risks and uncertainties relating to future events and conditions including, but not limited to, the impact of competition; consumer confidence and spending preferences; general economic and geopolitical

conditions; currency exchange rates; interest rates and credit availability; technological change; changes in government regulations; risks associated with operating and product hazards; and the Company's ability to attract and retain qualified employees. Do not unduly rely on forward-looking statements as the Company's actual results could differ materially from those anticipated in these forward-looking statements. Forward-looking statements are also based on a number of assumptions, which may prove to be incorrect, including, but not limited to, assumptions about the following: global economic environment and higher consumer spending; improved customer demand for the Company's products; continued historical growth trends, market growth in specific sectors and entering into new sectors; the Company's ability to provide a wide range of products to multinational customers on a global basis; the benefits of the Company's focused strategies and operational approach; the achievement of the Company's plans for improved efficiency and lower costs, including stable aluminum costs; the availability of cash and credit; fluctuations of currency exchange rates; fluctuations in resin prices; the Company's continued relations with its customers; the Company's estimated annual cost reductions; and economic conditions. Should one or more risks materialize or should any assumptions prove incorrect, then actual results could vary materially from those expressed or implied in the forward-looking statements. Further details on key risks can be found in the 2018 Annual Report, Management's Discussion and Analysis, particularly under Section 4: "Risks and Uncertainties." CCL Industries Inc.'s annual and quarterly reports can be found online at [www.cclind.com](http://www.cclind.com) and [www.sedar.com](http://www.sedar.com) or are available upon request.

Except as otherwise indicated, forward-looking statements do not take into account the effect that transactions or non-recurring or other special items announced or occurring after the statements are made may have on the Company's business. Such statements do not, unless otherwise specified by the Company, reflect the impact of dispositions, sales of assets, monetizations, mergers, acquisitions, other business combinations or transactions, asset write-downs or other charges announced or occurring after forward-looking statements are made. The financial impact of these transactions and non-recurring and other special items can be complex and depends on the facts particular to each of them and therefore cannot be described in a meaningful way in advance of knowing specific facts. The forward-looking statements are provided as of the date of this press release and the Company does not assume any obligation to update or revise the forward-looking statements to reflect new events or circumstances, except as required by law.

The financial information presented herein has been prepared on the basis of IFRS for financial statements and is expressed in Canadian dollars unless otherwise stated.
