

ENVIROTEK REMEDIATION INC.

August 6, 2021

TSX-V Symbol: ETK.H

ENVIROTEK HOLDS AGM, ANNOUNCES NEW DIRECTOR

Vancouver, B.C.: EnviroTek Remediation Inc. (“ETK” or the “Company”) (NEX Symbol: ETK.H) is pleased to announce that all resolutions put to the shareholders were passed by an overwhelming majority at the Company’s Annual General and Special Meeting held in Vancouver, British Columbia on August 4, 2021. Among other matters, the Company increased its board to 4 directors with the appointment of Hugh Callaghan.

Hugh Callaghan has worked in the Mining Industry since 1993, initially for Gold Fields of South Africa and then Rio Tinto PLC in commercial, strategy and business development roles. Mr. Callaghan has been a founder and/or CEO of public and private mining companies that have operated in metallurgical coal, base and precious metals, and industrial minerals in Africa, Europe, North America, and Latin America. During his career, Mr. Callaghan has taken several projects from conceptual stage to feasibility and built four mines in Africa and Latin America. Mr. Callaghan is currently based in Latin America, where he has generated several base and precious metals projects for both public and private companies.

The Company also announces that it has submitted for approval by the NEX Board of the TSX Venture Exchange documents changing the Company’s name to Homerun Resources Inc.

About Envirotek

Envirotek is a gold exploration company managed by an experienced team of resource industry professionals. Envirotek is focused on its newly acquired Homathko project, located in the Caribou Regional District, 190 kilometres southwest of Williams Lake in British Columbia, Canada.
