ANNUAL & SPECIAL MEETING TO BE HELD ON MAY 7, 2019**

INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This Management Information Circular is furnished in connection with the solicitation of proxies by the management of Jade Leader Corp. (the "Corporation" or "Jade") for use at the Annual & Special Meeting of the holders of common shares ("Common Shares") in the capital of the Corporation (the "Shareholders") to be held at the offices of the Corporation at Suite 815, 808 – 4th Avenue S.W., Calgary, Alberta, on Tuesday, May 7, 2019, commencing at 2:30 p.m. (Calgary time) (the "Meeting"), for the purposes set forth in the Notice of Annual & Special Meeting (the "Notice") accompanying this Management Information Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, internet, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation. Unless otherwise stated, information contained herein is given as of April 1, 2019.

Appointment of Proxyholders

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is April 1, 2019 (the "**Record Date**"). Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on that date and holders of Common Shares issued by the Corporation after such date and prior to the Meeting will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent a Shareholder transfers the ownership of any of his or her Common Shares after such date and the transferee of those Common Shares establishes that he or she owns such Common Shares and demands, not later than ten days before the Meeting, to be included in the list of Shareholders eligible to vote at the Meeting, such transferee will be entitled to vote those Common Shares at the Meeting.

Accompanying this Management Information Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **To be voted at the Meeting, all properly executed instruments of proxy for Shareholders must be mailed so as to reach or be deposited with the Corporation's Secretary at Suite 815, 808-4th Avenue S.W., Calgary, Alberta T2P 3E8 (facsimile number 403-266-2606) not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment thereof.**

The persons designated in the instrument of proxy are directors or officers of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the accompanying instrument of proxy, to attend at and represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy and strike out the names of management's nominees or complete another appropriate form of proxy.

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) with the Corporation's Secretary at the address referred to above at any time up to and including the last business day preceding the day of the Meeting, or any adjournments thereof, at which the instrument of proxy is to be used; or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designee named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" the proposed resolutions at the Meetings. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** At the time of printing this Management Information Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

VOTING SHARES AND PRINCIPAL HOLDERS OF COMMON SHARES

Voting of Common Shares – General

Shareholders of record on the Record Date are entitled to receive notice of and attend the Meeting and vote thereat on the basis of one vote for each Common Share held, except to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting.

On the Record Date, of the Corporation's authorized unlimited number of Common Shares, 41,472,708 Common Shares were issued and outstanding as fully paid and non-assessable.

Quorum

Pursuant to the By-Laws of the Corporation, a quorum of Shareholders is present at the Meeting irrespective of the number of persons actually present if one (1) Shareholder or duly appointed proxyholders are present in person, each being a shareholder entitled to vote at the Meeting, holding an aggregate of 5% of the voting shares of the Corporation. Pursuant to the *Business Corporations Act* (Alberta) and the By-Laws, if a quorum is present at the opening of the Meeting, the Shareholders present may proceed with the business of the Meeting notwithstanding that a quorum is not present throughout the Meeting. If a quorum is not present at the opening of the Meeting, the Shareholders present may adjourn the Meeting to a fixed time and place but may not transact any other business.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers

or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or

- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "CDS").

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, this Management Information Circular and the instrument of proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service company (such as Broadridge Investor Communications Solutions ("Broadridge")) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- (a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through the Internet at www.proxyvotecanada.com; or
- (b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. The Non-Registered Holder need not sign this form of proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with the Corporation at Suite 800, 808-4th Avenue S.W., Calgary, Alberta, T2P 3E8, as described above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.**

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set above.

Principal Holders of Common Shares

To the knowledge of the directors and senior officers of the Corporation, as of April 1, 2019, no single Shareholder beneficially owns, directly or indirectly, or exercises control or direction over more than ten percent (10%) of the votes attached to the securities of the Corporation.

PARTICULARS OF MATTERS TO BE ACTED UPON

Financial Statements and Auditors Report

The financial statements of the Corporation for the year ended September 30, 2018 and the Auditors' Reports thereon will be placed before the Shareholders at the Meeting for their consideration (the "Statements"). These Statements were mailed to all registered Shareholders and all Shareholders who had requested receipt of these Statements. Upon request, the Corporation will promptly provide a copy of the year end financial statements to a Shareholder free of charge.

Shareholders who wish to receive interim financial statements are encouraged to send the enclosed notice, in the addressed envelope to the Corporation at Suite 815, 808-4th Avenue S.W., Calgary, Alberta, T2P 3E8.

Election of Directors

In the event that prior to the Meeting, any vacancies occur on the slate of nominees submitted herewith, it is intended that discretionary authority will be granted to vote proxies solicited by or on behalf of management for the election of any other person or persons as directors. Corporate Cease Trade Orders or Bankruptcies

Other than as disclosed below, no Director of the Corporation is, or has been within the past ten years, a director or officer of any other company that, while such person was acting in that capacity:

- (i) was the subject of a cease trade or similar order or an order that denied the company access to any exemptions under securities legislation for a period of more than 30 consecutive days;
- (ii) was subject to an event that resulted, after that individual ceased to be a Director or officer, in the company being the subject of a cease trade or similar order or an order that denied the company access to any exemptions under securities legislation for a period of more than 30 consecutive days; or
- (iii) within a year of that individual ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. McDowell was a director and officer of North Sur Resources Inc. who on May 9, 2017 was subject to a cease trade order and trading halt for failure to file its Annual Financial Statements and Management's Discussion and Analysis for the year ended December 31, 2016. The company remains halted and subject to a cease trade order.

Individual Bankruptcies

No Director of the Corporation is or has, within the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Penalties or Sanctions

No Director or proposed Director of the Corporation has been subject to any penalties or sanctions imposed by a court relating to securities legislation, or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority. No Director or proposed Director of the Corporation has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable Shareholder in deciding whether to vote for a proposed Director.

Appointment of Auditors

At the Meeting, Shareholders will be asked to approve an ordinary resolution to approve appointment of BDO Canada LLP, Chartered Accountants, of Calgary, Alberta as auditors of the Corporation at a remuneration to be fixed by the Corporation and to hold such office until the next annual meeting of Shareholders. BDO has served as the Corporation's auditor since January 2014. **Unless instructed otherwise, the management designees in the accompanying Instrument of Proxy intend to vote "FOR" the resolution.**

Approval of Stock Option Plan

Pursuant to TSX Venture Exchange ("TSXV") Policy 4.4, corporations that have a rolling stock option plan reserving a maximum of 10% of the issued and outstanding shares of the corporation must receive annual shareholder approval of their stock option plan. In accordance with this policy, the Corporation adopted a stock option plan (the "Plan"), which was approved by the Shareholders at the Annual & Special Meeting held on March 14, 2018. The Plan authorizes the Board to issue options to Directors, officers, key employees and others who are in a position to contribute to the future success and growth of the Corporation. The Corporation wishes to continue to use the Plan and is seeking the approval of the Shareholders at this Meeting.

Under the Plan, the aggregate number of Common Shares issuable upon exercise of options granted thereunder may not exceed 10% of the total number of outstanding Common Shares of the Corporation at the time the options are granted. Further, the aggregate number of Common Shares issuable upon the exercise of the options granted thereunder to any one individual may not exceed 5% of the total number of outstanding Common Shares of the Corporation and, in the case of consultants and persons retained to perform investor relation activities, shall not exceed 2% in any 12 month period. Options issued pursuant to the Plan must have an exercise price not less than that from time to time permitted by the stock exchange on which the Common Shares are then listed. The period during which an option may be exercised shall be determined by the Board at the time the option is granted, subject to any vesting limitations which may be imposed by the Board at the time such option is granted, provided no option shall be exercisable for a period exceeding 5 years from the date the option is granted for a Tier 2 Corporation and 10 years for a Tier 1 Corporation. All options are non-assignable and non-transferable.

The options granted under the Plan expire on the earlier of the date of the expiration of the option period noted above and must expire 90 days after the date a holder ceases to hold the position or positions of Director, officer, employee or consultant of the Corporation and within 30 days for any optionee engaged in investor relations activities. In the event of the death or permanent disability of a holder, any option previously granted to him shall be exercisable until the end of the option period noted above or until the expiration of 12 months after the date of death or permanent disability of such option holder, whichever is earlier.

In the event of a sale by the Corporation of all or substantially all of its assets or in the event of a change in control of the Corporation, each holder shall be entitled to exercise, in whole or in part, the options granted to such holder, either during the term of the option or within 90 days after the date of the sale or change of control, whichever first occurs.

The approval by Shareholders of the Plan requires a favourable vote of a majority of the Common Shares voted in respect thereof at the Meeting.

A total of 4,147,270 options are currently available for grant under the Plan. A total of 2,220,000 options are currently granted and outstanding under the Plan and these options have been granted to Directors, officers and employees/consultants of the Corporation (at exercise prices of \$0.10, \$0.14, \$0.25, \$0.36, \$0.365 and \$0.38 per Common Share). Subsequent to the year ended September 30, 2018, a total of 75,000 options were granted at \$0.25 per Common Share and an expiry date of September 30, 2021 to a consultant.

The text of the resolution regarding this matter is as follows:

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. the Corporation's stock option plan as described in the Corporation's Management Circular dated April 1, 2019, as may be amended by the Board of Directors as required by applicable securities regulatory authorities or stock exchanges, is hereby ratified, adopted and re-approved;
2. the form of the plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation;
3. the shareholders of the Corporation hereby expressly authorize the Board of Directors to revoke this resolution before it is acted upon without requiring further approval of the shareholders in that regard; and
4. any one Director or officer of the Corporation is authorized, on behalf of the Corporation, to execute and deliver all documents and do all things as such person may determine to be necessary or advisable to give effect to this resolution."

It is the intention of the persons named in the enclosed instrument of proxy, if not expressly directed otherwise in such instrument of proxy, to vote such proxies FOR the ordinary resolution to approve the Stock Plan.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following information, dated as of April 1, 2019, is provided in accordance with Form 51-102F6V – Statement of Executive Compensation – Venture Issuers (the "Form"), in such term as defined by National Instrument 51-102.

For the purposes of this Form, a "Named Executive Officer", or "NEO", means each of the following individuals:

- (a) each individual who, in respect of the Corporation, during any part of the most recently completed financial year, served as chief executive officer ("CEO"), including an individual performing functions similar to a CEO;
- (b) each individual who, in respect of the Corporation, during any part of the most recently completed financial year, served as chief financial officer ("CFO"), including an individual performing functions similar to a CFO;
- (c) in respect of the Corporation and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000;

each individual who would be a NEO under paragraph (c) but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of that financial year.

The Named Executive Officers of the Corporation for the years ended September 30, 2018 were Mr. Jean Pierre Jutras, President and Ms. Shari Difley, CFO. Ms. Difley was appointed CFO on March 14, 2018 and Mr. Douglas Porter ceased to be CFO on March 14, 2018. Mr. Jutras billed on an hourly or per diem basis individually or through his controlled company for consulting services in the aggregate amount of \$94,813 for fiscal 2018. Ms. Difley billed on an hourly or per diem basis individually for consulting services in the aggregate amount of \$2,700 for fiscal 2018. Mr. Porter received no remuneration. Other than as described above there were no other Named Executive Officers for the year ending on September 30, 2018, as no other employees earned in excess of \$150,000 in fiscal 2018. Named Executive Officers are also eligible to participate in the Corporation's stock option plan (the "**Plan**") as described herein.

Philosophy and Objectives

The Corporation does not have a compensation committee. The Board of Directors as a whole, including Messrs. Jutras (President) and Porter (who was a Director and CFO until March 14, 2018) is responsible for approving all compensation paid by the Corporation to its Directors and senior officers. Messrs. Jutras and Porter did not vote with respect to compensation matters affecting them.

The Board is responsible for reviewing and approving the position description for the President, which shall include his authorities and accountabilities; the corporate goals and objectives for which the President shall be responsible; to monitor the President's performance relative to these goals and objectives; and to formally evaluate his performance at least annually.

The President makes recommendations to the Board regarding the position description, corporate goals and objectives as well as the compensation level of the other senior executives of the Corporation.

The Board reviews the President's recommendations respecting compensation of other senior executives of the Corporation, to ensure such arrangements reflect the responsibilities and risk associated with each position. When determining the compensations, the Board considers: (i) recruiting and retaining executives critical to the success of the Corporation and the enhancement of Shareholder value; (ii) providing fair compensation based on the nature and scope of the Corporation's business; (iii) balancing the interest of management and the Shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations in general. The compensation paid to the Corporation's executive officers consists of a base per diem or hourly rate and from time to time may consist of an incentive in the form of stock options.

The Corporation does not have a standard arrangement pursuant to which Directors are compensated by the Corporation for their services in their capacity as directors. From time to time Directors receive grants of stock options, under the Plan.

The Corporation maintains directors' and officers' liability insurance for its Directors and Officers. The amount of the premium for 2017-2018 was \$5,395 per annum for annual aggregate coverage of \$1,000,000 with a deductible of \$15,000 for each claim. The policy was renewed for 2018-2019 for \$5,395 per annum for annual aggregate coverage of \$1,000,000 with a deductible of \$15,000 for each claim.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by, and are accountable to, the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interests of its Shareholders and contribute to effective and efficient decision-making. The Corporation believes that its corporate governance practices ensure that the business and affairs of the Corporation are effectively managed so as to enhance Shareholder value.

Disclosure of Corporate Governance Practices

The Corporation has reviewed its own corporate governance practices in light of the guidelines contained in National Instrument 58-201 – *Corporate Governance Guidelines* ("NI 58-201"). The Corporation's practices comply generally with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. Set out below is a description of the Corporation's corporate governance practices as required by National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101").

Board of Directors

The Board currently functions independently of management because more than one half of the members are non-management. The Board has determined that three of four Directors proposed for election at the meeting are independent. An "independent" Director is a Director who is independent of management and free from any interest, any business or other relationship that could, or could reasonably be perceived to materially interfere with the Director's ability to act in the best interests of the Corporation, other than interests arising from their capacity as shareholders. Dr. Ebert, Dr. Megaw and Mr. McDowell are considered to be independent Directors. Mr. Jutras is not considered to be an "independent" Director because he is an officer of the Corporation.

The Directors meet at least quarterly. The Board holds meetings as required at which the opinion of the independent Directors are sought and duly acted upon for all material matters relating to the Company.

The Executive Chairman of the Board, Jean Pierre Jutras, is not an independent Director. Mr. Jutras sits on the Audit Committee and provides leadership in accounting matters but he is not an independent director. Dr. Ebert, Dr. Megaw and Mr. McDowell, professional geologists and independent Directors provide advice on technical matters.

The Board has not developed written position descriptions for the chair of each committee. The role of the chair of each committee is to preside over all meetings of the Board, consult regarding agendas and information sent to the Board and notify other Board members regarding any legitimate shareholder concerns of which they become aware.

Orientation and Continuing Education

At present, each new Director is given an outline of the nature of the Corporation's business, its corporate strategy, and current issues with the Corporation. New Directors are also required to meet with management of the Corporation to discuss and better understand the Corporation's business and policies. As each Director has a different skill set and professional background, orientation will be tailored to the particular needs and experience of each Director.

Continuing education is provided through relevant industry seminars, attending conferences, reading materials, board meeting presentations and discussions to ensure the Directors maintain the knowledge and skill necessary to meet their obligations as Directors. In addition, management of the Corporation makes itself available for discussion with all Board members.

Ethical Business Conduct

To encourage and promote a culture of ethical business conduct, the Board of Directors has adopted a code of business conduct and ethics applicable to all members of the Corporation including Directors, officers, consultants and employees. Each Director, officer, consultant and employee of the Corporation receives a copy of the code of business conduct and ethics. Upon request, the Corporation will provide a copy of this policy to a shareholder free of charge.

In addition, the Board of Directors monitors the ethical conduct of the Corporation to ensure that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions, stock exchanges and the *Alberta Business Corporations Act*. The Board of Directors believes that the fiduciary duties placed on individual Directors by the Corporation's governing corporate legislation and common law, as well as the restrictions placed by applicable corporate legislation on the individual Director's participation in decisions of the Board of Directors in which the Director has an interest, have been sufficient to ensure that the Board of Directors operated independently of management and in the best interest of the Corporation.

The Board of Directors has also adopted a "Whistleblower Policy" wherein employees, Directors, officers and consultants of the Corporation are provided with a mechanism by which they can raise concerns in a confidential, anonymous process.

Nominating and Corporate Governance Committee

The Board of Directors has no standing Nominating Committee or Corporate Governance Committee. The full Board performs these functions. The Board believes that it is appropriate for it to perform the functions of the Nominating Committee and Corporate Governance Committee as a result of its small size.

The Board identifies recruits, nominates, endorses and recommends appointment of new Directors based on the needs of the Board. Generally, new nominees for Directors must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, shown support for the Corporation's mission and strategic objectives, and a willingness to serve.

Assessments

The Board of Directors will annually complete a self-assessment of its performance to satisfy itself that the Board as a whole, its committees, and its individual Directors, are performing effectively. The Board is contemplating developing a formal questionnaire to be completed by each Director on an annual basis for the purpose of formally assessing the effectiveness of the Board as a whole, committees of the Board and the contribution of individual Directors. These questionnaires, and the issues arising therefrom, would then be reviewed and assessed by the Chairman on an annual basis or more frequently from time to time as need arose. The Chairman would then take appropriate action as required based on the results obtained.
