Vancouver, British Columbia – June 10, 1999 – Totally Hip Software Inc. (Alberta Stock Exchange: THW) announced today that it has completed a Private Placement of 789,805 units at a price of \$0.84 per unit for gross proceeds of \$663,436. The proceeds, net of finders' fees of \$11,816, have been released to the Company.

Each unit consists of one common share of the Company and one two-year non-transferable common share purchase warrant. One warrant will entitle the holder to purchase one additional common share of the Company at a price of \$1.00 per share during the first year, and \$1.30 per share during the second year. The shares and any shares issued pursuant to the exercise of warrants will be subject to a statutory hold period.

The proceeds of the financing will be used for general working capital.
