

QP Certificate

Sue Bird, P.Eng.

I, Sue Bird, P. Eng., do hereby certify that:

- This Certificate applies to the Technical Report entitled “NI 43-101 Resource Estimate for the Storie Deposit”, with an effective date of October 28, 2022 (the “Technical Report”).
- I am currently employed as Vice Principal with Moose Mountain Technical Services (MMTS) with an office address of #210-1510 2nd Street, North Cranbrook, BC V1C 3L2.
- I graduated with a Geological Engineering degree (B.Sc.) from the Queen’s University in 1989. I graduated with a M.Sc. in Mining from Queen’s University in 1993.
- I have worked as an engineering geologist for over 25 years since my graduation from university. I have worked on precious metals, base metals and coal mining projects, including mine operations and evaluations. Similar resource estimate projects specifically include those done for Greenland Resources’ Malmbjerg Mo Deposit, Desert Fox’s Van Dyke Project, Artemis’ Blackwater gold project, Ascot’s Premier Gold Project, Spanish Mountain Gold, all in BC; O3’s Marban and Garrison, gold projects in Quebec and Ontario, respectively, as well as numerous due diligence projects in the southern US done confidentially for various clients.
- As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43–101 Standards of Disclosure for Mineral Projects (NI 43–101).
- I am a member in good standing of Engineers and Geoscientists British Columbia (#25007).
- My recent personal inspection of the Property was on August 27, 2022 and included a review of the drill core, collection of samples for re-assay verification and an overview of the deposit site.
- I am responsible for all sections of the report, including Sections 1 through 27.
- I am independent of B.C. Moly as Independence is defined by Section 1.5 of NI 43-101.
- I have had involvement with the Storie deposit previously by co-authoring and acting as QP for the resource estimate of the report entitled: “Technical Review on the Storie Molybdenum Deposit” dated December 23, 2013.
- I have read NI 43-101 and the sections of the Technical Report that I am responsible for have been prepared in compliance with NI 43-101.

As of the date of this certificate, to the best of my knowledge, information and belief, the section of the Technical Report that I am responsible for contain all scientific and technical information that is required to be disclosed to make the technical report not misleading.

Effective Date of the Report:	October 28, 2022
Signing Date:	March 3, 2023

(signed) “Sue Bird”

Sue Bird, P. Eng.

Principal and V.P. of Moose Mountain Technical Services
