SCHEDULE "A"

News Release

Healthscreen Adds Chief Financial Officer to Leadership Team

TORONTO, ON – March 23, 2011 – Healthscreen Solutions Inc. ("Healthscreen") (TSX-V: MDU), Canada's premier provider of physician practice enhancement services and electronic medical record ("EMR") software, is pleased to announce that effective April 1, Ms. Isabella Cattelan will be joining Healthscreen as Chief Financial Officer. Ms. Cattelan brings domestic and international experience from her eight years with Maritz Canada Inc. as CFO and EVP, Maritz Europa Limited as CFO and European SVP Group Services. She also served three years as the CFO for CTVglobemedia Publishing Inc. (The Globe and Mail). Ms. Cattelan is an operating CFO who, through her varied career, has been responsible for all aspects of financial management, treasury, corporate reporting, human resources, IT, strategic planning and acquisitions. She is also a member of the board of IMC, Rotman School of Management, University of Toronto.

"We are very excited to have someone of Isabella's caliber and experience join Healthscreen as the Company seeks to enhance the depth of its leadership team," said Mr. Stewart Davis, Heathscreen's President and CEO. "We believe this is the right time to augment the executive team as we focus on strengthening our financial organization in support of the Company's objectives," added Mr. Davis.

About Healthscreen Solutions Inc.:

Healthscreen Solutions Inc. (www.healthscreen.com) provides a comprehensive suite of practice enhancing products and services to increase physician productivity and revenue while reducing costs and improving patient care. The Company's portfolio includes billing and scheduling software, electronic medical records software, CallerMD which assists physicians in managing a range of uninsured medical services, PrevCareMD which helps physicians earn supplemental income by achieving government-set preventive care targets and HealthAlert which allows physicians to help their patients in managing complex healthcare issues. Healthscreen's services and software are used by over 5,000 full-time physicians who are responsible for the health care of more than five million Canadians.
