### **Property Acquisition Closing:**

The Company is pleased to advise it has received final approval from the CDN X relating to the acquisition of an undivided 50% interest in certain mineral claims located in the Liard Mining Division, Province of B.C., known as the Keystone Property. This purchase is from Netseers Internet International Corporation (formerly Nu-Lite Industries Ltd.) and is subject to a 2% net smelter return royalty. The purchase price is comprised of:

- \$45,000 in cash, payable as to (i) \$5,000 on receipt of all necessary regulatory approvals, (ii) \$15,000 on or before March 31, 2001, and (iii) \$25,000 on or before March 31, 2002;
- the issuance of 300,000 common shares of the Company at a deemed price of \$0.10 per Share, issuable as to (i) 50,000 Shares on receipt of all necessary regulatory approvals, (ii) 50,000 Shares on or before March 31, 2000, (iii) 100,000 Shares on or before March 31, 2001, and (iv) 100,000 Shares on or before March 31, 2002 (deemed cash value of \$30,000); and
- \$250,000 in work commitments, to be completed as to (i) \$25,000 on or before March 31, 2000, (ii) \$75,000 on or before March 31, 2001, and (iii) \$150,000 on or before March 31, 2002.

The 100,000 Shares issued from treasury today will have a one year hold period, until August 3, 2001.

### **WIBN:**

The Company has organized a start-up wholly owned subsidiary; World Internet Broadcasting Network Corp. ("WIBN"). Under the terms of an interim agreement dated August 1, 2000, WIBN has acquired an internet software e-targeting engine for \$5,000. cash. This e-targeting engine will enable WIBN to develop a content management system which will allow content portals to match users with advertisers based on demographic and geographic profiles. Potential licensees include radio and TV stations and newspapers. The interim agreement provides for WIBN to engage Robert S. Mackin Sr., Donald McLeod and Total Connect Communications Inc. (the "Consultants") to further develop the software and to create a database and content management system in return for 5,000,000 shares of the Company. These shares are to be divided among the Consultants and released from escrow to them on a performance basis over three years. If all the shares are not released within three years, the parties can agree to extend the release period for a maximum of two more years. Any shares not released after five years are, at the Company's option, cancelled. The primary business of the Company remains focused on natural resource development. The completion of this transaction is subject to regulatory approval.

### **Options Closing:**

Global Tree Technologies confirms that the Canadian Venture Exchange has approved the granting of Incentive Stock Options announced in the news release of June 28, 2000. These options are in the amount of 500,000, exercisable on or before June 28, 2005, at a price of \$0.19.
