**4. Summary of Material Change**

Global Tree Technologies Inc. is pleased to report that World Internet Broadcasting Network Corp. ("WIBN") has now begun accepting advertising contracts for mycityradio.com. This will result in the first revenue generated by WIBN via My City Radio.

Global Tree is also pleased to report that My City Radio has initiated a third webcasting stream; "Riot Radio", directed at the large youth audience aged 12 to 24.

Development of the e-targeting software engine is also continuing.

**5. Full Description of Material Change**

**WIBN**

Global Tree Technologies Inc. (Global Tree) is pleased to report that World Internet Broadcasting Network Corp. (WIBN) has now begun accepting advertising contracts for mycityradio.com. This will result in the first revenue generated by WIBN via My City Radio. Advertising is the only source of radio station revenue.

Global Tree is also pleased to report that My City Radio has initiated a third webcasting stream; "Riot Radio", directed at the large youth audience aged 12 to 24. With "Riot Radio", My City Radio has two music streams and one news/talk stream. Other webcasting streams are being explored.

Development of the e-targeting software engine is continuing. This e-targeting engine will enable WIBN to develop a content management system which will allow content portals to match users with advertisers based on demographic and geographic profiles. Potential licensees include radio and television stations and newspapers.
