

## **Labrador Technologies forms Strategic Partnership with Bacancy Technology**

Calgary, Alberta February 22, 2018 – Labrador Technologies Inc. ("Labrador" or the "Corporation") (TSXV: "LTX") announces it has formed a strategic partnership (the "Partnership") with Bacancy Technology Inc. ("Bacancy"), an international technology company committed to value and performance at every stage of product development, from planning to delivery. Labrador and Bacancy will work collaboratively to identify how emerging technologies can increase their mutual productivity and profitability. To initiate the partnership, Bacancy will be assisting Labrador in the development and launch of a new corporate website to appropriately reflect Labrador's expansion into new markets.

Bacancy President and Chief Technology Officer Binal Patel states: "Creating a better world requires teamwork, partnerships, and collaboration, as we need an entire army of companies to work together to build a better world within the next few decades. We are enlightened to open up the doors by setting up a Partnership with Labrador Technologies Inc. We would like to contribute and build next generation cutting edge solutions using trending technologies."
