District Announces \$10 Million Private Placement Financing

Vancouver, B.C.

April 28, 2026

District Metals Corp. (TSX-V: DMX) (Nasdaq First North: DMXSE SDB) (OTCQX: DMXCF) (FRA: DFPP); (“District” or the “Company”) is pleased to announce a non-brokered private placement financing under the Listed Issuer Financing Exemption (as defined below) as supplemented and amended by Blanket Order 45-935 (as defined below), whereby the Company intends to raise up to C\$10,000,000 through an offering of up to 14,705,882 common shares in the capital of the Company (the “Shares”) to be priced at C\$0.68 per Share (the “Offering”). The Shares offered under the Offering will not be subject to a hold period in accordance with applicable Canadian securities laws.

The Company intends to use the net proceeds of the Offering to fund exploration activities on the Company’s projects in Sweden, and for general corporate purposes. The Company anticipates paying a finder’s fee to Pareto Securities AB (“Pareto”) in connection with purchasers that may be introduced by Pareto to the Offering. Any finder’s fees payable will be in accordance with the policies of the TSX Venture Exchange (the “TSXV”).

The Offering is scheduled to close by May 12, 2026, and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the TSXV. Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 – *Prospectus Exemptions* (“NI 45-106”), the Offering is being made pursuant to the listed issuer financing exemption under Part 5A of NI 45-106 (the “Listed Issuer Financing Exemption”) as supplemented and amended by Coordinated Blanket Order 45-935 – *Exemptions from Certain Conditions of the Listed Issuer Financing Exemption* (“Blanket Order 45-935”).

The securities being offered have not, nor will they be registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”) or any applicable securities laws of any state of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent such registration or an applicable exemption from such registration requirements. This release does not constitute an offer for sale or the solicitation of an offer to buy any of the securities in the United States or to, or for the account or benefit of, a U.S. person. “U.S. person” and “United States” are as defined in Regulation S under the U.S. Securities Act.

There is an offering document related to the Offering that can be accessed under the Company’s profile on SEDAR+ at www.sedarplus.ca and on the Company’s website at <https://districtmetals.com/>. Prospective investors should read this offering document before making an investment decision.

Technical Information

All scientific and technical information in this news release has been prepared by, or approved by Garrett Ainsworth, P.Geo, President and CEO of the Company. Mr. Ainsworth is a qualified person for the purposes of National Instrument 43-101 – *Standards of Disclosure for Mineral Projects*.

About District Metals Corp.

District is led by industry professionals with a track record of success in the mining industry. The Company's mandate is to seek out, explore, and develop prospective mineral properties through a disciplined science-based approach to create shareholder value and benefit other stakeholders. District is a 2025 TSX Venture 50 company, ranking among the top-performing issuers on the TSXV in the past year.

District is a uranium polymetallic exploration and development company focused on its flagship Viken Property in Sweden. The Viken Property covers 100% of the Viken Energy Metals Deposit, which contains the largest undeveloped Mineral Resource Estimate of uranium in the world¹ along with significant Mineral Resource Estimates of vanadium, molybdenum, nickel, copper, zinc, and other important and critical raw materials.

For further information on the Viken Property, please see the Technical Report titled "NI 43-101 Updated Mineral Resource Estimate and Technical Report on the Viken Energy Metals Project, Jämtland County, Sweden" dated effective April 25, 2025, which is available on SEDAR+ at www.sedarplus.ca.

Information to investors in accordance with the Swedish Act (2023:560) on the Screening of Foreign Direct Investments

The Company has made the assessment that the Swedish Act (2023:560) on the Screening of Foreign Direct Investments (the "FDI Act") is applicable to the Company's operations. In the event that acquisition of shares in the Company would entail that an investor after the investment would, directly or indirectly, hold votes corresponding to or exceeding any of the thresholds of 10, 20, 30, 50, 65 or 90 percent of the votes in the Company, the investor must, in accordance with the FDI Act, notify the Swedish National Inspectorate of Strategic Products (the "ISP") of its investment,

¹ S&P Global Market Intelligence - Market Intelligence Research.

before the investment is executed. For more information, please refer to the ISP's website, www.isp.se, or contact the Company.

Important information

The release, announcement or distribution of this press release may, in certain jurisdictions, be subject to restrictions. The recipients of this press release in jurisdictions where this press release has been published or distributed shall inform themselves of and follow such restrictions. The recipient of this press release is responsible for using this press release, and the information contained herein, in accordance with applicable rules in each jurisdiction. This press release does not constitute an offer, or a solicitation of any offer, to buy or subscribe for any securities in the Company in any jurisdiction, neither from the Company nor from someone else where such offer would be considered illegal or in conflict with applicable legislation.

This press release is not a prospectus for the purposes of Regulation (EU) 2017/1129 of the European parliament and of the council (the "Prospectus Regulation") and has not been approved by any eligible regulatory authority in any jurisdiction. The Company has not authorized any offer to the public of shares or rights in any member state of the EEA and no prospectus has been or will be prepared in connection with the Offering. In each member state of the EEA, this press release is directed only to "qualified investors", in accordance with the definition in the Prospectus Regulation, in each such member state.

This announcement does not identify or suggest, or purport to identify or suggest, the risks (direct or indirect) that may be associated with an investment in the new Shares. Any investment decision in connection with the Offering must be made on the basis of all publicly available information relating to the Company and the Company's shares, which has not been independently verified by Pareto. Pareto is acting for the Company in connection with the Offering and no one else and will not be responsible to anyone other than the Company for providing the protections afforded to its clients nor for giving advice in relation to the Offering or any other matter referred to herein.

This press release does not constitute a recommendation for any investors' decisions regarding the Offering. Each potential investor should conduct a self-examination, analysis and evaluation of the business and information described in this press release and any publicly available information regarding the Company and its industry. The price and value of the securities can decrease as well as increase. Achieved results do not provide guidance for future results. The information in this press release is made available only as background information and does not claim to be exhaustive. An investor should thus not solely rely on the information in this press release, nor on its accuracy or completeness. Neither the contents of the Company's website nor any other website accessible through hyperlinks on the Company's website are incorporated into or form part of this press release.

Cautionary Statement Regarding "Forward-Looking Information"

This news release contains certain statements that may be considered "forward-looking information" with respect to the Company within the meaning of applicable securities laws. In some cases, but not necessarily in all cases, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "targets", "expects" or "does not expect", "is expected", "an opportunity exists", "is positioned", "estimates", "intends", "assumes", "anticipates" or "does not anticipate" or "believes", or variations of such words and phrases or

statements that certain actions, events or results “may”, “could”, “would”, “might”, “will” or “will be taken”, “occur” or “be achieved” and any similar expressions. In addition, any statements that refer to expectations, predictions, indications, projections or other characterizations of future events or circumstances contain forward-looking information. Statements containing forward-looking information are not historical facts but instead represent management’s expectations, estimates and projections regarding future events. Forward-looking information in this news release relating to the Company include, among other things, statements relating to the Offering including, but not limited to, the closing of the Offering, approvals for the Offering, finder’s fees and use of proceeds; the Company’s Swedish polymetallic properties; the Company’s planned exploration activities and next steps for the Swedish properties; and the Company’s interpretations and expectations about the results on the Swedish properties.

These statements and other forward-looking information are based on opinions, assumptions and estimates made by the Company in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors that the Company believes are appropriate and reasonable in the circumstances, as of the date of this news release, including, without limitation, the reliability of exploration and drill results; reliability of data and the accuracy of publicly reported information regarding current, past and historic mines in the Bergslagen district and in respect of the Swedish properties; uranium and Alum Shale exploration and mining regulation in Sweden; the Company’s ability to raise sufficient capital to fund planned exploration activities, maintain corporate capacity; stability in financial and capital markets; the Company’s ability to complete its planned exploration programs; the absence of adverse conditions at mineral properties; no unforeseen operational delays; no material delays in obtaining necessary permits; the price of metals remaining at levels that render mineral properties economic.

Forward-looking information is necessarily based on a number of opinions, assumptions and estimates that, while considered reasonable by the Company as of the date such statements are made, are subject to known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, level of activity, performance or achievements to be materially different from those expressed or implied by such forward-looking information, including but not limited to risks associated with the following: the results of the inquiry into the mining of Alum Shale in Sweden and the possibility that it will be the subject of a municipal veto; the reliability of historic data on District’s properties; the Company’s ability to raise sufficient capital to finance planned exploration; the Company’s limited operating history; the Company’s negative operating cash flow and dependence on third-party financing; the uncertainty of additional funding; the uncertainties associated with early stage exploration activities including general economic, market and business conditions, the regulatory process, failure to obtain necessary permits and approvals, technical issues, potential delays, unexpected events and management’s capacity to execute and implement its future plans; the Company’s ability to identify Mineral Resources and Mineral Reserves; the substantial expenditures required to establish Mineral Reserves through drilling and the estimation of Mineral Reserves or Mineral Resources; the uncertainty of estimates used to calculate mineralization figures; changes in governmental regulations; compliance with applicable laws and regulations; competition for future resource acquisitions and skilled industry personnel; reliance on key personnel; title matters; conflicts of interest; environmental laws and regulations and associated risks, including climate change legislation; land reclamation requirements; changes in government policies; volatility of the Company’s share price; the

unlikely that shareholders will receive dividends from the Company; potential future acquisitions and joint ventures; infrastructure risks; fluctuations in demand for, and prices of metals; fluctuations in foreign currency exchange rates; legal proceedings and the enforceability of judgments; going concern risk; risks related to the Company's information technology systems and cyber-security risks; and risk related to the outbreak of epidemics or pandemics or other health crises. These factors and assumptions are not intended to represent a complete list of the factors and assumptions that could affect the Company. These factors and assumptions, however, should be considered carefully. Although the Company has attempted to identify factors that would cause actual actions, events or results to differ materially from those disclosed in the forward-looking information or information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. Also, many of such factors are beyond the control of the Company. Accordingly, readers should not place undue reliance on forward-looking information. The forward-looking information is made as of the date of this news release, and the Company assumes no obligation to publicly update or revise such forward-looking information, except as required by applicable securities laws.

Information to distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the shares in the Company have been subject to a product approval process, which has determined that such shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, Distributors should note that: the price of the shares in the Company may decline and investors could lose all or part of their investment; the shares in the Company offer no guaranteed income and no capital protection; and an investment in the shares in the Company is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offering.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the shares in the Company.

Each distributor is responsible for undertaking its own target market assessment in respect of the shares in the Company and determining appropriate distribution channels.
