

Pacific Booker Minerals Inc. Comments on Recent Trading

Vancouver, British Columbia--(Newsfile Corp. - August 18, 2017) - Pacific Booker Minerals Inc. (TSXV: BKM) (OTC Pink: PBMLF) is providing a comment on the recent trading in its shares on the TSX Venture Exchange. While it is not the Company's usual policy to comment on trading price or volume, the Company wishes to confirm that management is unaware of any change in the Company's status that would account for the recent increase in market price. To the best of management's knowledge, the Company has fully disclosed all material facts.

No regulatory authority has approved or disapproved the information contained in this news release. This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, statements are not guarantees of future performance and actual results or developments may differ materially from the forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include market prices, exploration successes, continued availability of capital and financing, general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements.
