Intermap Signs Debt Extension Agreements

Denver, February 5, 2016 – Intermap Technologies Corporation ("Intermap" or the "Company"), (TSX: IMP), (ITMSF: BB), a leading provider of geospatial solutions, today announced that it has entered into amending agreements with its senior lenders, pursuant to which the maturity dates of certain promissory notes were extended for a period of ninety days.

"We are pleased to report the signing of debt extensions with our senior lenders", said Todd Oseth, President and CEO of Intermap Technologies. "Coincident with the signing of the SDI contract and other business developments, we are working towards the refinancing of the company's debt obligations on more favorable terms and the simplification of the capital structure in general."

Under the terms of the agreements, the maturity dates of the following notes were amended as follows:

	Principal Amounts	Amended Maturity	Original Maturity
Note 1	US$3.0 million	Apr 9, 2016	Jan 9, 2016
Note 2	US$0.5 million	Apr 14, 2016	Jan 14, 2016

The principal amounts due under the notes, including the interest rate applied thereon, remained unchanged.

About Intermap

Headquartered in Denver, Colorado, Intermap is a leading provider of geospatial solutions on demand with its secure, cloud-based Orion Platform®. Through its powerful suite of software applications and proprietary development of contiguous databases that fuse volumes of geospatial data into a single source, the Orion Platform is able to provide location-based solutions for customers in diverse markets around the world.
