

Intermap Reports Board Changes

DENVER, August 25, 2016 - (TSX: IMP) – Intermap Technologies Corporation ("Intermap" or the "Company"), a provider of location-based solutions, reports that effective August 24, 2016, Cary Ludtke will resign from his director role and instead serve as a strategic business advisor to the Company. "I want to thank Cary for the contribution he is making, and will continue to make expanding our commercial relationships. The Company will announce further board changes shortly", said Patrick Blott, Chairman of Intermap.

About Intermap Technologies

Headquartered in Denver, Colorado, Intermap is a leading provider of geospatial solutions on demand with its secure, cloud-based Orion Platform®. Through its powerful suite of software applications and proprietary development of contiguous databases that fuse volumes of geospatial data into a single source, the Orion Platform is able to provide location-based solutions for customers in diverse markets around the world.
