

NOT FOR DISSEMINATION IN THE UNITED STATES OR FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES AND DOES NOT CONSTITUTE AN OFFER OF THE SECURITIES DESCRIBED HEREIN

Intermap Private Placement Offering

DENVER, CO, July 28, 2021 – Intermap Technologies (TSX: IMP) (OTCQX: ITMSF) (“Intermap” or the “Company”), a global leader in geospatial content development and intelligence solutions, today announced a non-brokered Private Placement of 2,200,000 Class A Common Shares (“Common Shares”) at a price of CAD\$0.90 per Common Share to raise approximately CAD\$2 million (the “Offering”).

In connection with the Offering, Intermap may pay a cash finder’s fee of up to 6% of the proceeds raised from the Offering plus Finder’s Warrants. The proceeds from the Offering will be used for expansion opportunities and previously announced contract wins.

“We continue to realize quality contract wins and new contracting opportunities to grow our business organically and through strategic acquisitions,” said Patrick A. Blott, Chairman and CEO of Intermap. “We recently announced major contract wins covering three continents and we have plans for significant growth for the remainder of the year. This funding will allow us to act quickly on opportunities as we continue to scale the business.”

Closing of the Offering is expected to occur next week upon satisfaction of customary closing conditions. The TSX has conditionally approved the Offering and the listing of the Shares. The Common Shares issued pursuant to the Offering will be subject to restrictions under the United States Securities Act and applicable Canadian securities laws, during which time trading in the securities by the investors is restricted.

The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any State in which such offer, solicitation or sale would be unlawful.

Intermap Reader Advisory

Certain information provided in this news release constitutes forward-looking statements. The words "anticipate", "expect", "project", "estimate", "forecast", "will be", "will consider", "intends" and similar expressions are intended to identify such forward-looking statements. Although Intermap believes that these statements are based on information and assumptions which are current, reasonable and complete, these statements are necessarily subject to a variety of known and unknown risks and uncertainties. Intermap's forward-looking statements are subject to risks and uncertainties pertaining to, among other things, cash available to fund operations, availability of capital, revenue fluctuations, nature of government contracts, economic conditions, loss of key customers, retention and availability of executive talent, competing technologies, common share price volatility, loss of proprietary information, software functionality, internet and system infrastructure functionality, information technology security, breakdown of strategic alliances, and international and political considerations, as well as those risks and uncertainties discussed Intermap's Annual Information Form and other securities filings. While the Company makes

these forward-looking statements in good faith, should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary significantly from those expected. Accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do so, what benefits that the Company will derive therefrom. All subsequent forward-looking statements, whether written or oral, attributable to Intermap or persons acting on its behalf are expressly qualified in their entirety by these cautionary statements. The forward-looking statements contained in this news release are made as at the date of this news release and the Company does not undertake any obligation to update publicly or to revise any of the forward-looking statements made herein, whether as a result of new information, future events or otherwise, except as may be required by applicable securities law.

About Intermap Technologies

Founded in 1997 and headquartered in Denver, Colorado, Intermap (TSX: IMP; OTCQX: ITMSF) is a global leader in geospatial intelligence solutions. The Company's proprietary 3D NEXTMap® elevation datasets and value-added geospatial collection, processing, analytics, fusion and orthorectification software and solutions are utilized across a range of industries that rely on accurate, high-resolution elevation data. Intermap helps governments build authoritative geospatial datasets and provides solutions for base mapping, transportation, environmental monitoring, topographic mapping, disaster mitigation, smart city integration, public safety and defense. The Company's commercial applications include aviation and UAV flight planning, flood and wildfire insurance, environmental and renewable energy planning, telecommunications, engineering, critical infrastructure monitoring, hydrology, land management, oil and gas and transportation.
