Press Release Correction: Melcor Developments

Edmonton, Alberta | March 19, 2024

Melcor Developments Ltd. (TSX: MRD), announced today a correction to its press release entitled "Melcor Developments announces results for 2023, declares \$0.11 per share dividend" which was issued on March 13, 2024 (the "Initial Press Release").

The Initial Press Release incorrectly stated that the payable date for the dividend declared would be March 29, 2024. The correct payable date is March 28, 2024. The record date and the declaration date remain unchanged from what was previously announced.

This Press Release should be read in conjunction with the Initial Press Release. These corrections do not change any other information reported in the Initial Press Release

Forward Looking Statements

In order to provide our investors with an understanding of our current results and future prospects, our public communications often include written or verbal forward-looking statements.

Forward-looking statements are disclosures regarding possible events, conditions, or results of operations that are based on assumptions about future economic conditions, courses of action and include future-oriented financial information.

This news release and other materials filed with the Canadian securities regulators contain statements that are forward-looking. These statements represent Melcor's intentions, plans, expectations, and beliefs and are based on our experience and our assessment of historical and future trends, and the application of key assumptions relating to future events and circumstances. Future-looking statements may involve, but are not limited to, comments with respect to our strategic initiatives for 2024 and beyond, future development plans and objectives, targets, expectations of the real estate, financing and economic environments, our financial condition or the results of or outlook of our operations.

By their nature, forward-looking statements require assumptions and involve risks and uncertainties related to the business and general economic environment, many beyond our control. There is significant risk that the predictions, forecasts, valuations, conclusions or projections we make will not prove to be accurate and that our actual results will be materially different from targets, expectations, estimates or intentions expressed in forward-looking statements. We caution readers of this document not to place undue reliance on forward-looking statements. Assumptions about the performance of the Canadian and US economies and how this performance will affect Melcor's business are material factors we consider in determining our forward-looking statements. For additional information regarding material risks and assumptions, please see the discussion under Business Environment and Risk in our annual MD&A.

Readers should carefully consider these factors, as well as other uncertainties and potential events, and the inherent uncertainty of forward-looking statements. Except as may be required by law, we do not undertake to update any forward-looking statement, whether written or oral, made by the Company or on its behalf.
