None of the Participating Shareholders exercises, by virtue of the Agreement, any control over Ascopiave S.p.A. pursuant to Article 93, Legislative Decree No. 58 dated 24 February 1998.

5. Type of Covenant

The Agreement can be traced back to a voting syndicate through which the Participating Shareholders intended to regulate the exercise of voting rights in the ordinary and extraordinary Shareholders' Meetings of Ascopiave S.p.A. in order to express their votes in the Shareholders' Meetings of the Company, in an unequivocal and consistent manner, with the intention of safeguarding the interests of the Parties they administer in the best possible way as well as enhance the value of their shareholding investment.

6. Content of the Agreement

Fundamental principles

The participating shareholders agree to the following fundamental principles that inspire the Agreement governing their exercise of voting rights in the Ascopiave S.p.A. Shareholders' Meeting

The participating shareholders undertake to transfer to the Agreement all the shares held by them as of the date the Agreement was signed, as well as any additional shares of Ascopiave S.p.A. that may be directly or indirectly acquired by the participating shareholders or that may be held consequent to free allocations, conversions, capital increases or legal actions. The participating shareholders undertake not to purchase in the future such number of shares that would make a public tender offer mandatory. If during the term of the Agreement a Participant should sell over 90% of the Ascopiave S.p.A. shares held by it or in any case should no longer hold the voting right attached to such shares, the Participant will automatically be excluded from the Agreement.

With reference to the exercise of votes in Ascopiave S.p.A. Shareholders' Meetings, the Participants undertake to determine in advance, ahead of each Shareholders' Meeting, the vote they will exercise, by having the will of the Participants to the Agreement determined by the entity delegated under the Agreement to make the decision, i.e. the Participants' Meeting, composed of as many members as there are Participants to the Agreement.

The decision of the Shareholders' Meeting will be binding on each Participant, which will grant an appropriate proxy to one of the members of the Agreement so that the latter may participate, in the name and on behalf of all the Participants to the Agreement, in the Shareholders' Meeting of Ascopiave S.p.a., and vote in accordance with the resolution of the Shareholders' Meeting.

The Participants in the Agreement undertake, on the occasion of the periodic appointment of the Board of Directors of Ascopiave S.p.A., to submit a single list of candidates to the Board of Directors, also jointly with other shareholders which are not part of the Agreement, and to vote jointly in favour of the candidates therein. Likewise, when the Board of Statutory Auditors of Ascopiave S.p.A. is periodically appointed, the parties to the Agreement undertake to submit a single list of candidates to the Board of Statutory Auditors, also jointly with other shareholders which are not part of the Agreement, and to vote jointly in favour of the candidates therein.

The participating shareholders agree that the entry of new participants in the Agreement shall be with the unanimous consent of all the current Participants, and they also undertake not to enter into any covenants or understandings of a shareholding nature with third parties falling outside of the Agreement.

The participating shareholders agree that, should a Participant in the Agreement fail to respect even one of the covenants of the Agreement, the violation of the Agreement shall entail the

expulsion of the Participant in breach, decided by the Meeting of the Participants with the majorities envisaged in the Agreement.

7. Covenant Parties

The Parties of the Agreement will be the Meeting of Participants, which is composed of as many members as there are Participants and which will be convened with at least five days' notice (and in the event of urgency with two days' notice). The Shareholders' Meeting shall be chaired by the President of the Syndicate, a position that will be taken in turn by the respective legal representatives of each member of the Syndicate, with the rotation taking place every four months. The Shareholders' Meeting will be deemed as validly constituted with the presence of half + 1 of the Participants and will pass resolutions by majority vote of those in attendance, provided that the sum of the shares held by the members constituting the majority amounts to at least 50% + 1 of the shares of the Participants in the Agreement. In the event of an equal number of votes, the will of the Participants holding shares of Ascopiave S.p.A. higher than the total of shares held by the Participants that voted differently, will prevail. In the event that the constitutive/decision-making quorum is not reached, the Participants to the Agreement undertake to vote against the resolution tabled at the Shareholders' Meeting of Ascopiave S.p.A.

The task of the Shareholders' Meeting is to determine the will of the Shareholders participating in the Agreement relating to the votes cast in the ordinary and extraordinary Shareholders' Meetings of Ascopiave S.p.A.

The Meeting of the Participants is convened whenever the President of the Syndicate deems it appropriate or if at least three Participants expressly request it.

The President of the Syndicate is also in charge of making any notifications to Consob that may be necessary during the term of the Syndicate.

8. Term of the Agreement

The provisions of the Agreement shall last until the 3rd (third) anniversary of the date of signing of the Agreement and shall be deemed to be tacitly renewed from year to year, without prejudice to the right of each of the Participants to the Agreement to give notice of withdrawal on the occasion of each three-yearly expiry date, with a notice of forty-five days prior to the expiry date. The withdrawal of one of the Participants to the Agreement will not invalidate the effectiveness of the Agreement for all the other Participants, but the Agreement will cease to produce its effects in advance of the expiry date if one or more Participants, which individually or jointly among them hold over 75% of the shares of Ascopiave S.p.A. transferred to the Agreement, have communicated that they wish to withdraw from the Agreement.

9. Penalties

The Participating Shareholders agree that, should a Participant in the Agreement fail to comply with even one of its covenants, the breach of the Agreement shall entail the obligation of the breaching Participant to pay the other Participants a sum by way of a penalty clause equal to 5% of the market value of the highest shareholding held by the breaching Participant during the term of the Agreement, without prejudice to the right of the other Participants to claim compensation for any greater damages.
