SiegeSoft.com Founder to Appear on CNN

VANCOUVER, BC, March 23, 2000 – Rocca Resources Ltd. has received confirmation that founder Rishi Bhat is to be interviewed live on **CNN's Street Sweep**, March 23, 2000 at approximately 4:15pm EST (1:15 PST). He will also appear on CNNfn immediately thereafter between 4:30-5:00 EST with viewer call-in.

This interview follows appearances on ABC's Good Morning America and Yahoo! FinanceVision, along with a series of meetings with the editors of various mainstream computer publications.

The company anticipates the change of name from Rocca Resources Ltd. to Siegesoft Internet Solutions Inc. to be completed within the next few days. A news release will be issued advising of such and the new trading symbol.

Siegesoft.com utilizes encryption technology to offer users the ability to visit Websites anonymously, thereby removing the potential onslaught of unsolicited e-mail. Users are also protected from having their personal information recorded by the Websites they visit.

To view the CNN broadcast on the web the company will upload the segment for viewing through both Windows Media Player and RealPlayer on the <http://www.SiegeSoftSolutions.com> site. From the SiegeSoft.com site, follow the large graphical link on the front page to take you to the corporate site where it can be viewed.

The product can be purchased on-line at <http://www.siegesoft.com>. Potential subscribers are invited to try the service on a free trial basis before sign-up.

Subscribers are charged an annual fee of \$50.00 for access to the Privacy Suite of products.

ON BEHALF OF THE BOARD OF DIRECTORS,
