

Beleave Closes \$5,000,000 Non-Brokered Private Placement of Units

TORONTO, April 26, 2018 /CNW/ - Beleave Inc. ("**Beleave**" or the "**Company**") (CSE: BE; OTCQX: BLEVF) is pleased to announce the closing today its previously announced non-brokered private placement (the "**Non-Brokered Offering**") for gross proceeds of approximately \$5,000,000. Pursuant to the Non-Brokered Offering the Company issued an aggregate of 2,857,143 units of the Company at a price of \$1.75 per unit.

Each unit was comprised of one common share of the Company (a "**Common Share**") and one-half of one common share purchase warrant of the Company (each whole warrant, a "**Warrant**"). Each Warrant entitles the holder thereof to purchase one Common Share of the Company at an exercise price of \$2.25 for a period of 24 months from the date of issuance of the Warrant, subject to accelerated expiry in the event that the ten-day volume weighted average price of the Common Shares on the Canadian Securities Exchange (the "**CSE**"), or other exchange or quotation system where the Company's shares are listed and where a majority of the trading volume of the Common Shares occurs, equals or exceeds \$3.00.

"We are pleased to have been able to open and close this financing so swiftly," commented Beleave CEO Andrew Wnek. "We look forward to developing a longstanding and fruitful relationship with our new shareholders."

The Common Shares and Warrants issued pursuant to the Non-Brokered Offering are subject to a four month hold period. No finder's fees were paid in connection with the Non-Brokered Offering

About Beleave

Beleave Inc. is a biotech company and Beleave's wholly-owned subsidiary Beleave Kannabis Corp. (formerly First Access Medical Inc.) is a licensed producer pursuant to the ACMPR. Beleave's purpose-built facility is located near Hamilton, Ontario.

Forward-Looking Statements

This news release contains "forward-looking information" within the meaning of applicable securities law ("forward-looking statements"). The use of any of the words "plan", "anticipate", "continue", "estimate", "expect", "may", "will", "project", "should", "believe" and other similar words, or statements that certain events or conditions "may" or "will" occur are intended to identify forward-looking information. These statements are only predictions. Although the Company believes that the expectations and assumptions on which the forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because the Company can give no assurance that they will prove to be correct. These risks and uncertainties include, but are not limited to, the Company's ability to satisfy the conditions associated with its cultivation license, the Company's ability to obtain a sales license and the related timing considerations, the availability of further financing, consumer interest in its products, competition, regulation, operational and technological risks, and anticipated and unanticipated costs and delays. Since forward-looking information addresses future events and conditions, by its very nature it involves inherent risks and uncertainties. This information speak only as of the date of this news release. Actual results could differ materially from those currently anticipated due to a number of factors and risks including various risk factors discussed in the Company's disclosure documents, which can be found under the Company's profile on www.sedar.com.
