White Tiger announced that further to its news release of March 3, 2010, the Company closed its non-brokered private placement (the "Private Placement"). The Company raised $774,000 by the issuance of 3,096,000 non-flow through units (the "Units") at a price of $0.25 per Unit. Each Unit consists one common share and one half of a share purchase warrant, with each whole warrant entitling the holder to purchase an additional common share at a price of $0.40 for a period of one year from the closing date.
