

QUALIFIED PERSON CERTIFICATE

I, Damian Edward Gerard Connelly, B.Sc. App Sc, FAusIMM, FIEAust, as principal author to this report titled "Haib Copper Project 2020 Preliminary Economic Assessment" (the "Report") with a report date of 12th January, 2020, do hereby certify that:

1. I am an independent consulting metallurgist operating under the auspices of METS Engineering Group, located at Level 3, 44 Parliament Place, West Perth, 6005, Australia. Tel: +61 (08) 9421 9000.
2. I graduated with a Bachelor of Science degree in Applied Science in 1973 from the University of Adelaide, in Australia.
3. I am a Professional Metallurgist registered as a Fellow of the Australasian Institute of Mining and Metallurgy and a Chartered Professional Engineer (met). I am also a Fellow of Engineers Australia.
4. I have worked as a metallurgist for a total of 45 years since my graduation from university.
5. I have worked as a consultant Metallurgical Consultant to the Mineral Processing Industry for the past 30 years, which has involved working on feasibility studies, detailed design, plant construction, due diligence work and more.
6. I have read the definition of a Qualified Person as set out in NI 43-101 as amended in 2011 and certify that by reason of my education, 45 years of relevant experience and professional affiliations, I fulfil the requirements to be a Qualified Person for the sections prepared by myself in the Report.
7. I am responsible for sections 14 to 27 and have contributed to sections 1, 2 and 28.
8. I have visited the Haib site in 2006. The objective of the site visit was to assess the surrounding infrastructure, view drill core samples and obtain a general feel for the site.
9. As of the date of this certificate, I am not aware of any material fact or material change with respect to the subject matter of the Report, which is not reflected in the Report, the omission of which would make the report misleading.
10. In terms of section 1.5 of NI 43-101 "Standards of Disclosure for Mineral Properties" I am independent of the commissioning entities, being the Issuer, Deep South Resources Inc., and its subsidiaries and associates Deep South Mining Company (Pty) Ltd and Haib Minerals (Pty) Ltd applying all of the standard tests of independence.
11. I have read NI 43-101 as amended on June 30, 2011 and confirm that this Technical Review Report has been prepared in compliance with the Standards and Guidelines as set out in that document.
