I, **Veronique Daigle**, an author of this technical report entitled "Preliminary Economic Assessment of the Haib Copper Project, Namibia, National Instrument 43-101 Technical Report" dated effective 4 September 2025 (the **Technical Report**), which was prepared for the issuer, Koryx Copper Inc. (**Koryx**), do hereby certify that:

1. I am employed as Director of Knight Piésold Consulting (Pty) Ltd. with an office at 11 Nelson Mandela, Klein Windhoek, Namibia. I was employed at Knight Piésold Ltd Canada in 2007, and Knight Piésold Consulting Namibia in 2013; I have 20 years' cumulative experience. I have been involved in various projects, from conceptual to feasibility studies, detailed design, construction and operation of projects located in North America, Western, Northern and Southern Africa, the Middle East, and Europe.
2. I am a graduate of Civil Engineering (Co-op) Degree at the University of Sherbrooke, Quebec, Canada (2006). I have practiced my profession continuously since 2007. My relevant experience includes mining, civil and geotechnical infrastructures in the sector of renewable energy, roads, water resources, tailings and heap leaching.
3. I am a registered member of the Engineering Council of Namibia and Registered as Professional Engineer (license number PE2017-19) since 2017. I am also I am a member in good standing with the South African Committee on Large Dams, the Canadian Dam Association, and registered as an Engineer (Ingénieure) with the Ordre des Ingénieurs du Quebec, Canada (member no 143749).
4. I have read the definition of "qualified person" set out in National Instrument 43-101 (NI 43-101) and certify that by reason of my education, affiliation with a professional association (as defined by NI 43-101) and my past relevant work experience, I fulfil the requirements to be a "qualified person" for the purposes of NI 43-101.
5. I completed a site visit to the Haib Copper Project in Namibia (the Project), which is the subject of this Technical Report, in October 2021 and November 11 to 12, 2023.
6. I am co-author of the Technical Report, and co-author responsible specifically for Sections 1.8 (excluding 1.8.1), 12.3.2, 18.5 to 18.9, 21.1.5, 21.3.5, 25.8, 25.10 to 25.13, 25.18.4 to 25.18.8, 25.19.4, 25.19.5 and 26.5.
7. I am independent of Koryx and the Project, applying all of the tests in Section 1.5 of NI 43-101.
8. I have had no involvement with the property that is the subject of this Technical Report.
9. I have read NI 43-101 and Form NI 43-101F1, and the parts of the Technical Report that I am responsible for have been prepared in compliance with that instrument and form.
10. As of the effective date of the Technical Report, to the best of my knowledge, information, and belief, the parts of the Technical Report that I am responsible for contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Dated this 8th day of October 2025.

[Original signed and sealed]
