VANTEX RESOURCES LTD.

FOR IMMEDIATE RELEASE

Symbol: VAX – TSX V

VANTEX RAISES \$260,000 IN FLOW-THROUGH UNITS.

La Prairie, July 12, 2011 - Vantex Resources Ltd. (the "Company", TSX.V: VAX) is pleased to announce the completion of a \$260,000 non-brokered financing.

The Company sold 260 Flow-Through units (the "FT Units") at a purchase price of \$1,000 per FT Unit, for a total amount of \$260,000. Each FT Units consists of 5,000 flow-through common shares at a price of \$0.20 per share and 5,000 common share purchase warrants. Each whole warrant will entitle the holder to purchase one additional common share in the capital of the Company for a period of 24 months from the date of issuance, at a purchase price of \$0.25 per share.

Proceeds of the FT Units will be used for the continuation of exploration of the Galloway property in Quebec. The expenses will constitute Canadian exploration expenses and flow-through mining expenditures (as defined in the Income Tax Act (Canada)), which can be renounced to purchasers for the 2011 taxation year.

6 Company insiders participated to this financing for a total amount of \$95,000.

The securities issued as part of this placement are subject to a minimum hold period of four-month-and-one-day period and subject to the approval of the TSX Venture exchange.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. This news release may contain forward-looking statements including but not limited to comments regarding the timing and content of upcoming work programs, geological interpretations, receipt of property titles, potential mineral recovery processes, etc. Forward-looking statements address future events and conditions and therefore, involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements.
