

China Education Resources Inc. Updates Timing of the Release of Its Audited Financial Results for the Year Ended December 31, 2019

Vancouver, British Columbia--(Newsfile Corp. - April 27, 2020) - China Education Resources, Inc. (TSXV: CHN) (OTCQB: CHNUF) ("CER"), an ed-tech company with leading technology of intelligent system and contents to provide online/offline learning, training courses and social media for teachers, students and education professionals, today provides shareholders and investors with an update on timing of the release of its audited financial results for the year ended December 31, 2019.

On March 23, 2020, Canadian Securities Regulators published temporary blanket relief for market participants from certain regulatory filings as a result of COVID-19. CER is utilizing the temporary blanket relief which provides for a 45-day extension to file its audited annual financial statements and MD&A for the period ending December 31, 2019. CER expects to file its audited annual financial statements and accompanying MD&A on or before June 15, 2020. The Company also intends to rely on the 45-day extension in filing its quarterly financial statements and MD&A for the period ending March 31, 2020 and expects to file its Q1 financial statements and accompanying MD&A on or before July 15, 2020.

The Company's management and other insiders are subject to a trading blackout until the end of the second trading day after the 2019 Annual Filings and Q1 financial statements are filed. At this time, the company anticipates the 2019 Annual Filings will be completed within the 45-day extension period.

CER's business has now been back to normal even though COVID-19 is currently slowing down the global economy. We will provide update to the shareholders when more information is available.

In collaboration with China's education administrators and experts, China Education Resources has been helping to transform the curriculum of the world's largest educational system. Recognizing the need to address education reform changes, China Education Resources has created educational tools and curriculum for China's entire kindergarten through twelfth grade. The Company is playing an integral part in transforming China's educational system through helping to convert the existing educational system from memory-based learning to a creative thinking and interactive approach. Presently, China Education Resources has over 1 million kindergarten through twelfth grade teachers registered through its Web portal.
