NEWS RELEASE – COMPANY ANNOUNCES LATE FILING OF ANNUAL FINANCIAL STATEMENTS

Evergreen Gaming Corporation (the “Company”) announces that its audited financial statements for the financial year ended December 31, 2017 were not filed by the April 30, 2018 deadline. This delay resulted from a reorganization involving the Company’s auditor and the rationalizing of oversight procedures of the audit firms involved in the reorganization, particularly with respect to clients who are new to the predominant party to the reorganization, MNP, LLP. To the knowledge of the Company, no audit issues exist with respect to the statements and it is expected that the finalized statements will be issued in the next 10 business days.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
