The news release was disseminated on April 7, 2008 in Vancouver, British Columbia.

Item 4: Summary of Material Change

International Samuel Exploration Corp. and its joint venture partner, Canasia Industries Corp. have entered into an option to acquire 100% interest in seven claims totaling 3,736 acres in the Reed Lake Area of Manitoba. This acquisition has increased the joint venture holdings to a total 199,736 acre.

The property is strategically located 8 kilometers North east from the VMS Ventures Inc. base metal discovery in the historic and very prolific Flin Flon mining camp, with more than 27 significant mineral deposits continuously discovered over the past 75 years. The most recent discovery is HudBay's Lalor Lake property, with 20 million tonnes of 8.8 per cent zinc.

The Reed Lake property is jointly owned 50-50 between International Samuel Exploration and Canasia Industries Corp., which is adjacent to the VMS Ventures discovery in the Flin Flon district of Manitoba.

Item 5: Full Description of Material Change

Under the option agreement terms with the vendor W. S. Ferreira Ltd.,the joint venture partners have agreed to spend a total of $300,000 on exploration, issue 300,000 shares and pay the vendor $100,000 over a four year period, subject to TSXV approval

This acquisition reflects the on going efforts of the joint venture partners to aggressively pursue further land acquisitions in this highly prospective green stone belt area of Manitoba.
