If attendees are not able to join the event live on the day of the conference, an archived webcast will also be made available on EmergingGrowth.com and on the Emerging Growth YouTube Channel, <http://www.YouTube.com/EmergingGrowthConference>, with this link to be released after the event.

ImpactDeck Engagement: To further their marketing efforts, CopAur Minerals Inc. is pleased to announce that it has engaged the services of ImpactDeck, a leading investor relations firm led by James McFarland, based in Montreal, Quebec. ImpactDeck will assist CopAur Minerals Inc. in increasing its visibility within the investment community and enhancing engagement with key investors. In consideration of the services provided, CopAur Minerals Inc. will pay ImpactDeck a cash consideration of CDN\$5,000 per month, starting April 1, 2026, for an initial six-month term ending on October 1, 2026, with the option to continue on a month-to-month basis thereafter. ImpactDeck does not directly or indirectly have an interest in the securities of the Company.

About CopAur: CopAur is a mine development company focused on projects within the emerging, mineral-rich gold mining regions of Nevada. The Company is backed by a dynamic and experienced team of resource professionals advancing its projects in Nevada with the flagship project being the Kinsley Mountain Gold Project, a Carlin-style gold project located in the Kinsley Mountains in Eastern Nevada, approximately 80 km SSW of West Wendover, NV.
