WORLD WISE ANNOUNCES PRIVATE PLACEMENT OFFERING

Markham, Ontario - World Wise Technologies Inc. ("World Wise") announces a private placement offering of up to 3,500,000 units for a total proceeds of up to $500,000. The majority of the placement is with arm's length subscribers. The offering consists of a minimum of 2,500,000 units, and a maximum of 3,500,000 units. Each unit will consist of one common share and one/half common share purchase warrant. The unit price is based on three tranches as follows:

1. 2,500,000 units at $0.10 per unit
2. 500,000 units at $0.20 per unit
3. 500,000 units at $0.30 per unit

Each share purchase warrant will entitle the holder to purchase one common share of the Company at a price of $0.30 per share, for a period of twelve months from closing. The funds will be used for general corporate purposes. The offering is subject to applicable regulatory approval.

World Wise also announces that it has retained the services of Weissgeld Capital Group Ltd. of Vancouver BC, for public and investor relations.

World Wise Technologies Inc. is a public company operating three distinct, but related, business units, specializing in the marketing of ***fuzzy-driven*** High Tech, Energy Saving and Environmentally friendly products: General Cybernetics Inc. focuses on the design, integration and marketing of Robotics and Advanced Computing Products. Impel Power Products Ltd., focuses on the development and manufacturing of environmentally friendly "IMPEL" line of automated crushers and Small Scale Electrical Generating Systems ("SEGS"). MicroFuzz Technologies Inc. develops sophisticated Fuzzy Logic-based products for robot controls and mass storage servo controls (hard disk drives, CD-ROMs and DVDs).
