### WORLD WISE ANNOUNCES THE APPOINTMENT OF CURRENT CAPITAL AS IR CONSULTANTS

Mississauga, Ontario - World Wise Technologies Inc. ("World Wise"). announced today that the Corporation has entered into an Investor Relations agreement, effective October 12, 2000, with Current Capital Corp. (CCC) of Toronto, Ontario. CCC will receive \$10,000 per month for a one-year period, plus approved expenses. Mr. John Robinson, principal owner of CCC, has advised the Corporation that at this time he does not own any World Wise Technologies Inc. securities. Services to be provided by CCC include financial consulting and communications, and public relations consulting.

Current Capital Corporation is a public relations and financial communications consulting business that represents a variety of publicly traded corporations in a number of industry sectors.

World Wise Technologies Inc. is a public company operating three distinct, but related, business units, specializing in the development and marketing of **fuzzy-driven** Application Specific technology for the purpose of providing Totally-Integrated Manufacturing Systems ("TIMS") and Business Intelligence Solutions. The wholly-owned subsidiary, **General Cybernetics Inc.** specializes in the design, integration and marketing of Robotics and Advanced Computing Products. World Wise has established two new divisions within the Company: the **RobSim.com** division is an on-line, one source to easy problem solving tool for engineers, plant managers, business persons and entrepreneurs; the **FDSP System Solution** division focuses on the implementation of the Fuzzy Digital Processor core for specific applications.

The Canadian Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
