WORLD WISE ANNOUNCES PRIVATE PLACEMENT

Markham, Ontario - World Wise Technologies Inc. ("World Wise") announces a private placement of $400,000 to finance marketing activities and general corporate purposes.

The private placement consists of the maximum subscription of 1,000,000 Units at a price of $0.40 per Unit. Each Unit consists of one common share and an additional one half common share purchase warrant. Each one full common share purchase warrant plus $0.60 will entitle the holder to purchase one common share. The common share purchase warrants will expire 24 months from date of issue. The placement of the Units will close within 30 days and is subject to the completion of documentation, due diligence, a hold period and subject to regulatory approval.

World Wise Technologies Inc. is a public company operating three distinct, but related, business units, specializing in the development and marketing of ***fuzzy-driven*** Application Specific technology for the purpose of providing Totally-Integrated Manufacturing Systems ("TIMS") and Business Intelligence Solutions. The wholly-owned subsidiary, ***General Cybernetics Inc.*** specializes in the design, integration and marketing of Robotics and Advanced Computing Products. World Wise has established two new divisions within the Company: the ***RobSim.com*** division is an on-line, one source to easy problem solving tool for engineers, plant managers, business persons and entrepreneurs; the ***FDSP System Solution*** division focuses on the implementation of the Fuzzy Digital Processor core for specific applications.

The Canadian Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
