

Ynvisible Announces Closing of Final Tranche of Non-Brokered Private Placement

Vancouver, British Columbia--(Newsfile Corp. - July 3, 2026) - **Ynvisible Interactive Inc. (TSXV: YNV) (FSE: 1XNA)** (the "**Company**" or "**Ynvisible**") announces that further to its news release of April 24, 2026, May 13, 2026, and June 4, 2026, the Company has closed the second and final tranche (the "**Final Tranche**") of its follow-up non-brokered private placement (the "**Private Placement**").

In the Final Tranche, the Company issued 2,460,000 units of the Company (the "**Units**") at a price of \$0.10 per Unit for total gross proceeds of \$246,000. Each Unit consists of one common share of the Company ("**Share**") and one transferable common share purchase warrant ("**Warrant**"), whereby each Warrant is exercisable into one additional Share at a price of \$0.14 per Share until July 3, 2029, being the date that is three years from the date of issuance. Together with the first tranche of the Private Placement that closed May 13, 2026, the Company has issued an aggregate of 5,790,000 Units and raised proceeds of \$579,000 pursuant to the Private Placement.

Insiders of the Company participated in the Final Tranche acquiring an aggregate of 1,000,000 Units for proceeds to the Company of \$100,000. Ramin Heydarpour, Chief Executive Officer and Executive Chairman of the Board of the Company, purchased 500,000 Units for \$50,000; and Michael Kott, Director of the Company, purchased 500,000 Units for \$50,000 through a corporation he controls and directs. As disclosed previously, insiders of the Company also participated in first tranche of the Private Placement acquiring 1,180,000 Units.

The participation by insiders of the Company in the Final Tranche constitutes a "related party transaction" as defined under Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**"). The Company relied on exemptions from the formal valuation and minority shareholder approval requirements provided under sections 5.5(a) and 5.7(1)(a) of MI 61-101, as neither the fair market value of the Units purchased by the insiders, nor the consideration for the Units paid by such insiders, exceeded 25% of the Company's market capitalization. The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the Final Tranche, which the Company deems reasonable in the circumstances in order to complete the Final Tranche in an expeditious manner.

All securities issued and issuable pursuant to the Final Tranche are subject to a hold period expiring November 4, 2026, being the date that is four months and one day from the date of issuance in accordance with applicable Canadian securities legislation.

Funds raised from the Private Placement will be used for working capital and for general corporate purposes. No finder's fees were paid or are payable in respect of the Private Placement. The Private Placement was unanimously approved by the Company's Board of Directors and remains subject to final acceptance by the TSX Venture Exchange.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), or any state securities laws and may not be offered or sold within the United States or to or for the account or benefit of a U.S. person (as defined in Regulation S under the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Forward-Looking Statements

This news release contains certain "forward-looking information" and "forward-looking statements" within the meaning of applicable Canadian securities legislation (collectively, "forward-looking statements"). Forward-looking statements are based on expectations, estimates, projections and assumptions made by the Company in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors that the Company believes are appropriate in the circumstances. Forward-looking statements are not historical facts and may be identified by words such as "expects", "anticipates", "plans", "intends", "believes", "estimates", "projects", "potential", "targets", "may", "will", "could", "would" or similar expressions.

Forward-looking statements in this news release include, without limitation, statements regarding the intended use of proceeds, the receipt of final approval from the TSX Venture Exchange, and the Company's business plans and objectives.

Forward-looking statements are subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation: the failure to obtain required regulatory approvals, including final approval of the TSX Venture Exchange; changes in market conditions; the availability of financing; general economic, market and business conditions; and other risks and uncertainties disclosed in the Company's public disclosure documents filed on SEDAR+.

Although the Company believes that the assumptions and expectations reflected in the forward-looking statements are reasonable as of the date hereof, there can be no assurance that such statements will prove to be accurate. Readers should not place undue reliance on forward-looking statements, as actual results and future events may differ materially from those anticipated. Except as required by applicable securities laws, the Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
