

CONSENT OF EXPERT

This is being filed as the consent of AGP Mining Consultants Inc. (“**AGP**”), as the alternative consent in respect of Willie Hamilton, who was a qualified person under National Instrument 43-101 - *Standards of Disclosure for Mineral Projects* employed by AGP at the date of signing the report entitled “*NI 43-101 Feasibility Study: Troilus Gold – Copper Project, Québec Canada*” dated June 28, 2024, with an effective date of May 14, 2024 (the “**Technical Report**”), to being named in the final short form base shelf prospectus of Troilus Gold Corp., dated April 30, 2025 (the “**Prospectus**”) and to the use of the Technical Report in connection with the filing of the Prospectus and to the inclusion of the written disclosure of the Technical Report and of extracts from or a summary of the Technical Report in the written disclosure contained in the Prospectus or incorporated by reference therein.

AGP hereby confirms that it has read the Prospectus, including the written disclosure of the Technical Report and of extracts from or a summary of the Technical Report contained in the Prospectus or incorporated by reference therein and has no reason to believe that there are any misrepresentations in the information contained therein that is derived from the Technical Report or that is within the knowledge of AGP as a result of the services performed by AGP in connection with the Technical Report.

DATED this 30th day of April, 2025.
