REVO (www.REVO-spac.com) is a Special Purpose Acquisition Company (SPAC) promoted by Alberto Minali, Claudio Costamagna, Stefano Semolini, Jacopo Tanaglia e Simone Lazzaro. REVO aims at creating a major insurance player in specialty lines and parametric risks, mainly focused on SMEs. On 30th of november 2021 REVO has completed the acquisition of Elba Assicurazioni S.p.A., an insurance company operating mainly in the surety business. The achievement of the Business Combination with Elba allows REVO to start from the existing business by aggregating underwriters and MGAs in the specialty lines, also developing the parametric risk segment. REVO proposes itself as a lean player, adopting new technologies like blockchain to optimize the risk underwriting and claims management process.
