

Voyager Digital Announces Listing on Frankfurt Exchange

JERSEY CITY, N.J.--(BUSINESS WIRE)--April 17, 2019--**Voyager Digital (Canada) Ltd.** (“Voyager”) (TSXV: VYGR; Pink Sheets: VYGVF), today announced that the Company’s shares are trading on the Frankfurt Stock Exchange under the symbol UCD2 (ISIN:CA92917M1005 WKN:A2PD6T)

Voyager is now listed on the TSX Venture Exchange, the OTC Pink Sheets and the Frankfurt Stock Exchange. With this additional listing on one of the world’s largest stock exchanges by market capitalization, Voyager expands its investor base to European investors. This is an important aspect of Voyager’s broader growth strategy to reach a global audience, both through its stock listing and its crypto trading platform, all to build value for its shareholders.

Voyager CEO Stephen Ehrlich said, “This listing is our first step into the European markets and we are excited to spread Voyager’s reach globally. In the future, we look forward to bringing our fast and easy crypto trading platform to European retail and Institutional customers.”

About Voyager Digital

Voyager Digital (Canada) Ltd. through its US subsidiaries Voyager Digital Holdings Inc. (“VDH”) and Voyager Digital, LLC is a crypto-asset broker that provides retail and institutional investors with a turnkey solution to trade crypto assets. VDH offers customers best execution, data, wallet and custody services through its institutional-grade open architecture platform. Voyager was founded by established Wall Street and Silicon Valley entrepreneurs who teamed to bring a better, more transparent and cost-efficient alternative for trading crypto-assets to the marketplace. Voyager is registered with FinCen. Please visit us at <https://www.investvoyager.com>.
