Cuba Ventures Corp - Unaware of any New Material Change

Vancouver, BC – Cuba Ventures Corp. (TSX-V: CUV**)** (**Frankfurt**: IJA2) (OTCBB: MPSFF) (the "Company") at the request of IIROC, the Company wishes to confirm that Cuba Ventures management is unaware of any new material change in the Company's operations that would account for the recent increase in market activity.

On November 27th, Cuba Ventures announced that it has signed a definitive agreement ("DA") with **Vesilen Investments** for its a revolutionary Blockchain-based mobile application called Revolupay® and corresponding web based system, to target Cuba's USD 3.4 Billion remittance market, the USD $750 Million Cuban private sector and Caribbean tourism industry. Connected with the structure will be the proprietary cryptocurrency ₡CU Coin for intended use in the multibillion tourism markets of the Caribbean and Cuba. Read full News Release November 27th.

About Cuba Ventures Corp.:

Cuba Ventures Corp. is a publicly traded Canadian company capitalizing on the growth and unique opportunities in the USD $3.5 billion per year Cuban travel and tourism industry. Travelucion, a wholly owned subsidiary, is a digital media and marketing company which owns a vast portfolio of Cuba related websites and online portals providing Cuba travel information in up to six languages, featuring individual web assets for Cuba's popular cities and towns, online booking solutions and online reservations through proprietary software, catering to international visitors to Cuba. Travelucion's online travel division is a duly licensed retail travel supplier handling millions of dollars in sales annually.

Cuba Ventures Corp has acquired an equity interest in a Florida, the USA domiciled, licensed and bonded travel agency which specializes in travel to Cuba. This equity ownership permits the company and, its subsidiary Travelucion, to promote U.S compliant travel packages to Americans citizens through its equity partner International Business & Travel Opportunities, LLC, Fort Lauderdale, Florida, USA.

Travelucion's 432 Cuba focused multilingual websites generate over 35 million page-views per year, directing traffic to the company's online booking and e-commerce sites. These online websites cover all facets of Cuba including over 80 travel destinations, hotels & resorts, bed & breakfast, tours, car rentals, restaurants, as well as Cuban culture, history, music, celebrities, sports, medical treatments and more.

Cuba Ventures' FinTech division is embracing world renowned entities to bring together a global force to stimulate Cuba's archaic economic systems. Financing of both internal and external debt, ₡CU Coin Cryptocurrency and Revolupay® blockchain deployment across the all-important private enterprises and remittance industry are primary objectives of this division. Finally, bridge loans for foreign enterprises who receive Cuban bank payment instruments will enable faster transactions and rapid advances in the economy.
Cuba Ventures consulting division harnesses over 80 years of combined advisor experience in submitting and, obtaining approval, for joint ventures, joint production agreements, and import/export permits for foreign enterprises. More recently the company has taken a royalty approach for future agreements between third parties anxious to begin commercial operations with Cuba and, the company's Cuba Consulting Unit. Current contractual partnerships include Tyrval, a worldwide hotel industry supplier. Cuba Ventures intends to augment the amount of financially beneficial consulting related businesses.
